#### STUDENTS:

We would like to express to you, the student body, our thanks for making this yearbook possible. If it hadn't been for your help and cooperation it would have been impossible to get the annual out. Also, thanks to the teachers for their help and patience during picture taking and various other activities that interrupted their daily schedule. Last but not least, we would like to take this opportunity to thank Mrs. Peters for her help and guidance during this year.

Cherry Hudson, Editor  
Robert Phillips, Business Manager
