Statement Of Faith

1. We believe the whole Bible from Genesis 1:1 to Revelation 22:21 as the verbally inspired Word of God.
2. We believe Jesus Christ was born of Mary the Virgin, and is the Son of God, and God the Son.
3. We believe that Christ died for our sins according to Scriptures.
4. We believe that He arose from the grave the third day according to the Scriptures.
5. We believe that He only is the great High Priest, and we need not the intercession of any man, but that Christ ever liveth to make intercession for us.
6. We believe that Christ, will come again in Person, bodily, visible, to establish His Kingdom on the earth.
7. We believe that in order to be saved, the soul must be born again — “Ye must be born again.”
8. We believe that every truly born again soul should declare his faith by the act of baptism (immersion in water) setting forth the Lord’s death, burial and resurrection.
9. We believe that the church is a body of baptized believers whose only mission is not to “reform the World,” but to preach and teach the Gospel of salvation to the individual soul.

Principal's Message

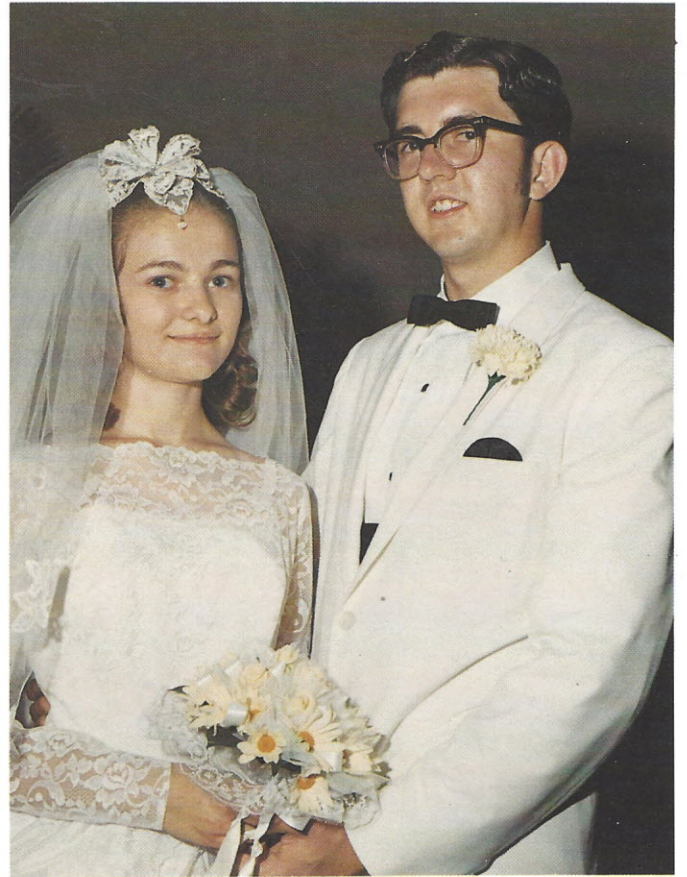

Principal's Message

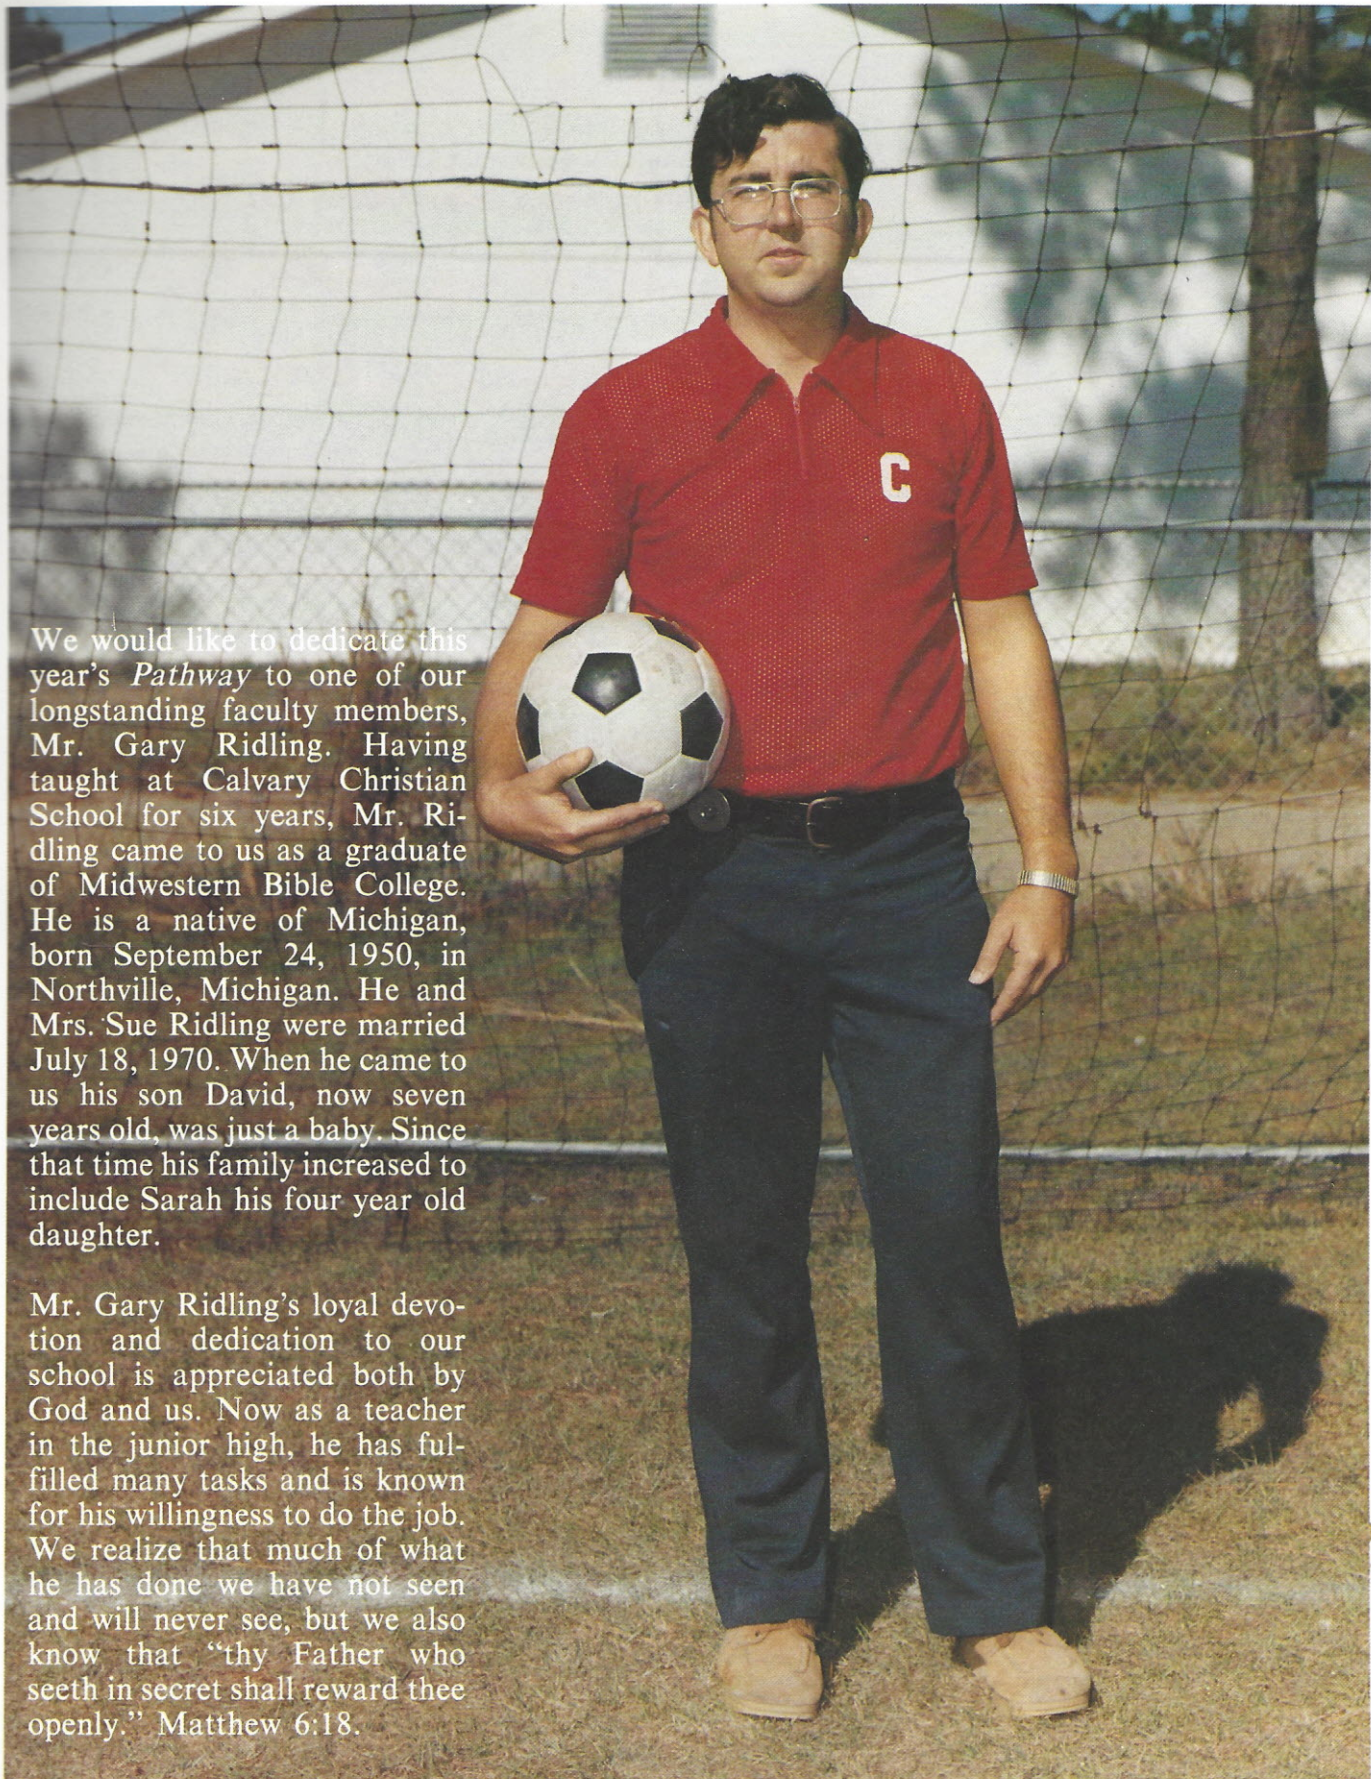

"For this child I prayed: and the Lord hath given me my petition which I asked of Him. Therefore also I have lent him to the Lord: as long as he liveth he shall be lent to the Lord. And he worshipped the Lord there." I Samuel 1:27, 28. God's greatest gift to parents is a little child. Psalm 127:3 tells us "Lo, children are a heritage of the Lord, and the fruit of the womb is his reward. We as parents only have one opportunity to educate our children; it is imperative that our choice of education is one that we can be proud of. To send graduates into the world not only with academic training, but with spiritual standards and christian character since the very beginning of its existence.

Each year brings us new developments as we anticipate new and advanced curriculums, an expanded athletic program, extra curricular activities and an opportunity for our students to be trained according to individual talents and abilities. Calvary Christian School is dedicated to train young people to serve the Lord Jesus Christ in whatever profession or vocation they choose. With that purpose in mind we are thankful for the dedicated staff and faculty. Last but not least we are thankful for parents that care whether or not their children win or strike out in "The Contest of Life." Let me express our appreciation to the 1979 "Pathway" staff for producing a beautiful and notable Yearbook. It will be added to our growing memories and accomplishments of Calvary Christian School treasures.

I also congratulate the class of '79. May the Lord bless each graduate and make them successful and productive Christian leaders in whatever walk of life they enter. Remember, "It is no disgrace to fail, but it is a sin to do less than your best.

Dedication

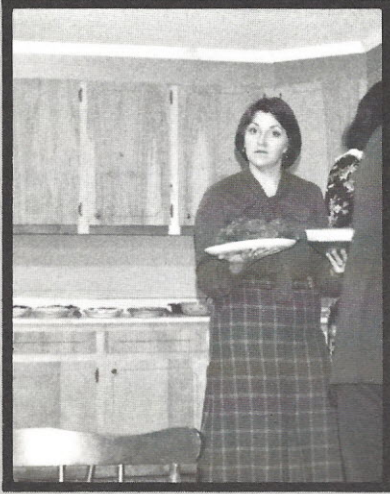

We would like to dedicate this year's *Pathway* to one of our longstanding faculty members, Mr. Gary Ridling. Having taught at Calvary Christian School for six years, Mr. Ridling came to us as a graduate of Midwestern Bible College. He is a native of Michigan, born September 24, 1950, in Northville, Michigan. He and Mrs. Sue Ridling were married July 18, 1970. When he came to us his son David, now seven years old, was just a baby. Since that time his family increased to include Sarah his four year old daughter.

Mr. Gary Ridling's loyal devotion and dedication to our school is appreciated both by God and us. Now as a teacher in the junior high, he has fulfilled many tasks and is known for his willingness to do the job. We realize that much of what he has done we have not seen and will never see, but we also know that "thy Father who seeth in secret shall reward thee openly." Matthew 6:18.

Calvary Wins Two In Soccer Action

This year's soccer team under their first full year of coach Gary Ridling kicked its way to their best season ever. The team headed off to a good start by practicing during the summer before school started. They opened their season at home in early September by defeating Southgate. From there the Eagles steadily improved as they closed out their season with their Homecoming game. This time the Eagles romped Southgate with a score of 10 to 1. They closed out the year with 7 wins, 3 losses and 2 ties. With all but 2 men returning, next year's chances look hopeful the Eagles will not suffer a loss. We'll be looking for your support!

Homecoming 1979

Calvary Christian School's first Homecoming 1978 was marked by mist and light rain. The weather was the only thing that was bad. Calvary romped Southgate 10 to 1 with triple scoring from George Johnston and Tony Pilo. Charles Crosby goalied most of the game without being scored upon. Miss Brenda Kinard was crowned Homecoming Queen of 1978. The Homecoming court consisted of: Teresa Smith and Wanda Webster of the seventh grade, and Charlotte Floyd and Lisa Smyly of the eighth grade. Jason Langdale and Rebekah Register were the crown bearer and flower girl respectively.

Basketball

To everyone's satisfaction and joy Calvary had its first good Basketball team. The team's was altered in their strategy and style. This change came from first year coach Chip Register. With his ideas coming straight from college, a great deal of the teams success can be contributed to his work. This was the second year the same group of men have been playing together. Their friendship on and off the court also helped them become a well-knit squad, which is essential to victory. The Varsity team will lose two seniors but has prospects quite capable of filling the gap. Next year the Eagles will attempt to better their 7 wins — 7 losses record. This year the school held the first Calvary Invitational Tournament. Our boys were edged out in the final game to take runner-up. See ya at the GAME!

Baseball

This year's baseball team after getting off to a slow start of 1 win and 3 losses, stormed on a powerful drive capsizing teams that had beaten them earlier in the year. After losing to Florence 11-8, Calvary on the home field displayed errorless ball downing Florence 4-2. The team also shut down Tabernacle, an arch rival, 3-2. The team was coached this year to a 6 win 4 loss season by Coach G. Ridling and Coach C. Register. The Baseball team would be pleased to have you come out and support them next year. They won't let you down!

ACTIVITIES

Graduation '79

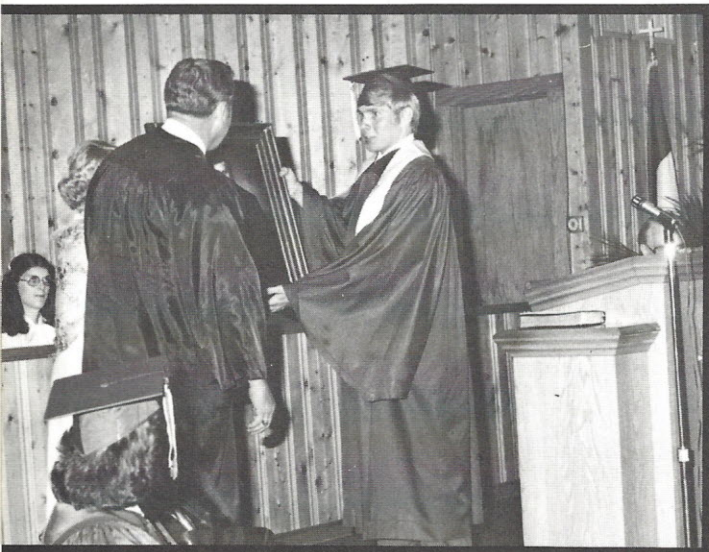

It's Finally Time

A time to award

A time to rejoice

A time to honor

The time comes for everyone — high school graduation, and this was the time for the Senior Class of '79. Two students were awarded for scho-

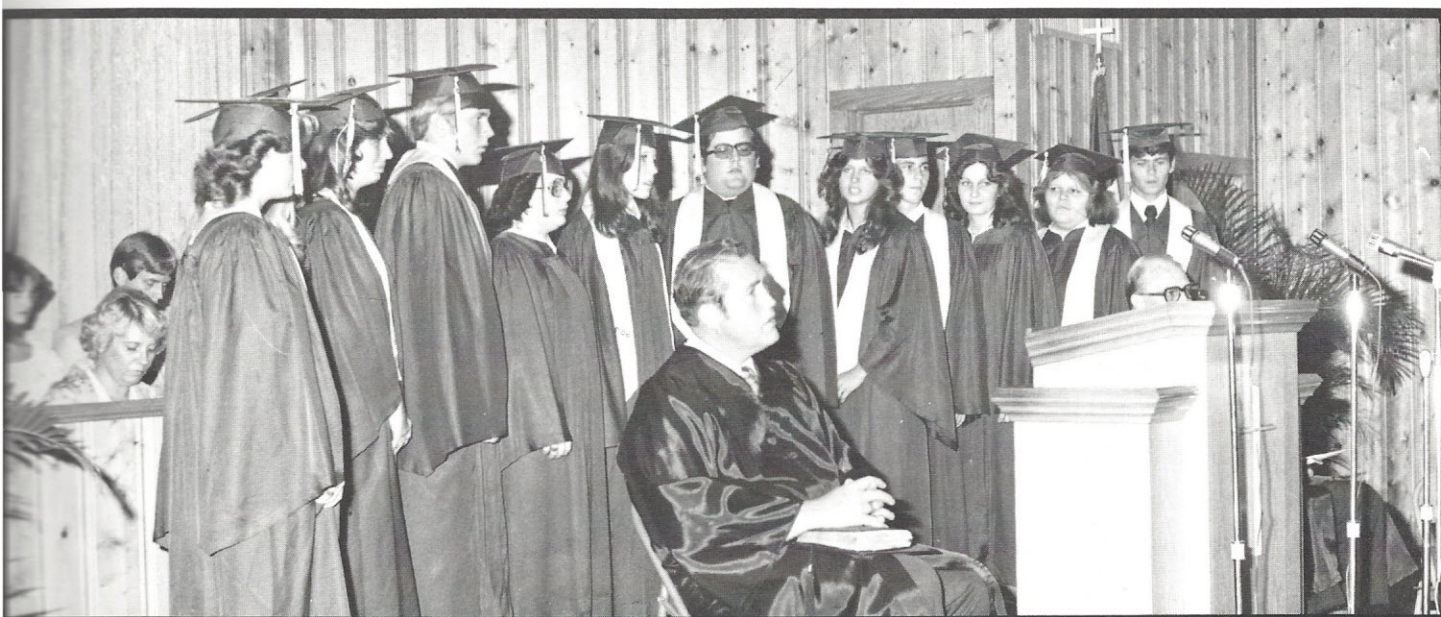

lastic achievement: Cindy Frank, valedictorian; and Brenda Kinard, salutatorian. We congratulate you! The Senior Class gave CCS a plaque with their names inscribed on it, and to Dr. Register, they honored him with a portrait of himself. Well, it is time for us to wish you the Seniors of '79 our very best wishes and much success. Congratulations!

A time for emotion

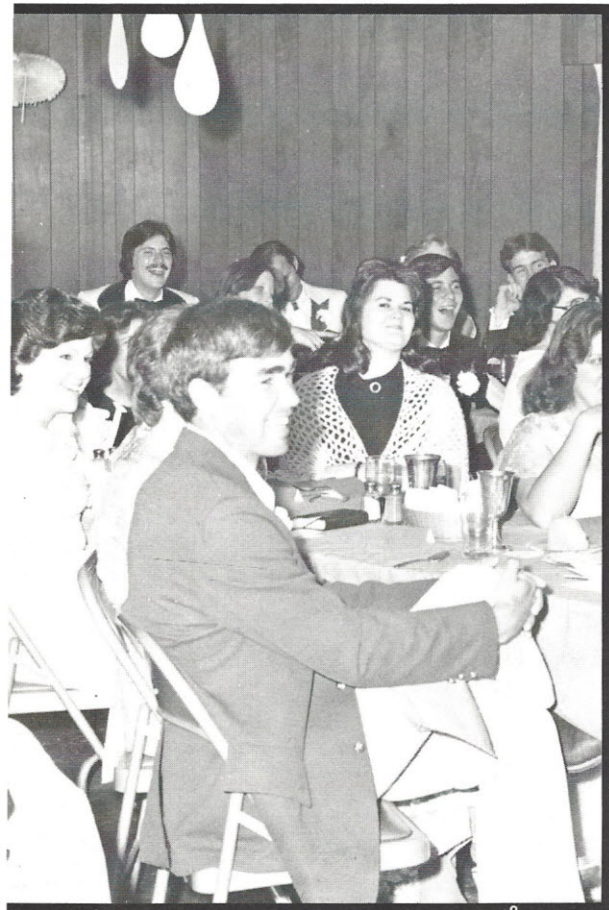

A time for reflection

A last time together

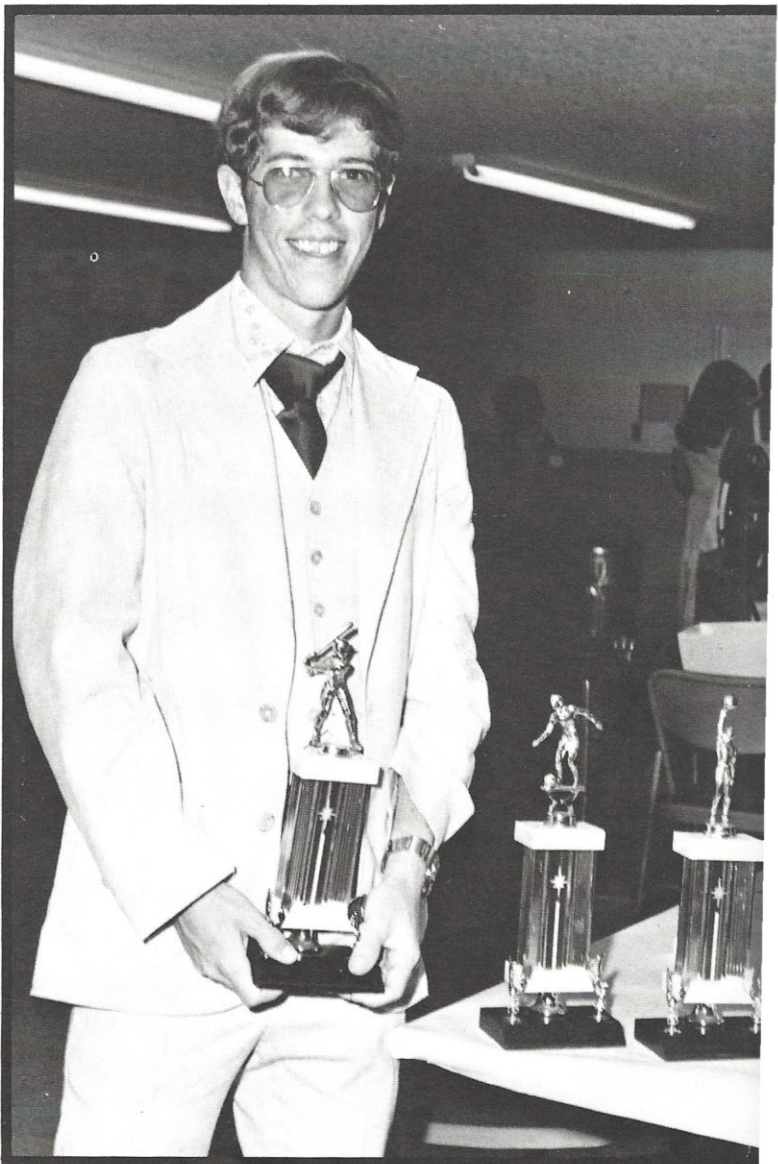

Jr.-Sr. '79

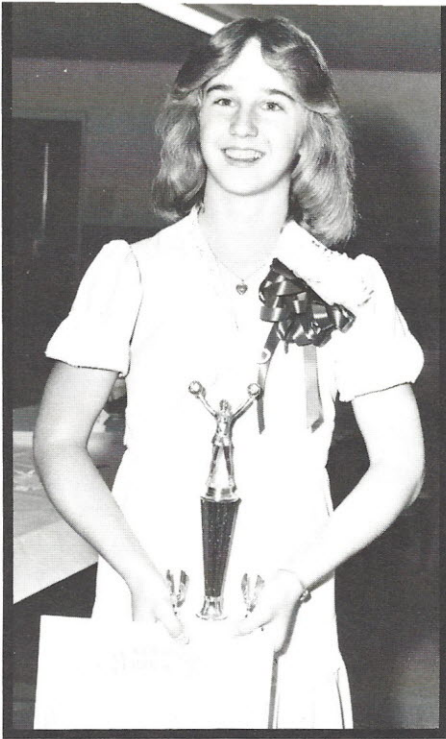

The theme for Jr.-Sr. '79 was "April Showers" and was very well carried out. The backdrop for pictures was a rain bow scene ending in a pot o' gold on a sky-blue background. Entertainment by the Junior Class was in rare form. One can easily tell by the expressions on these faces the impact of it. The banquet was a success this year, and the Junior Class of '79 offers the Senior Class of '79 many well wishes and success.

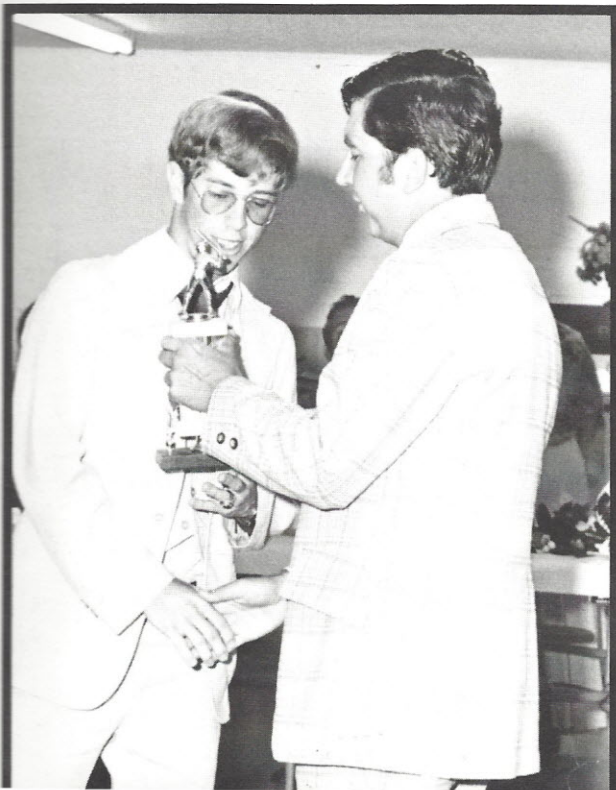

Sports Banquet

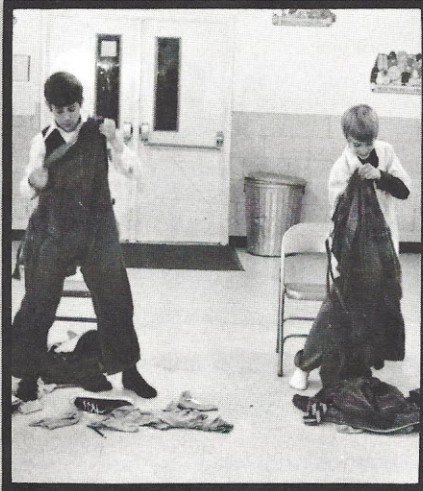

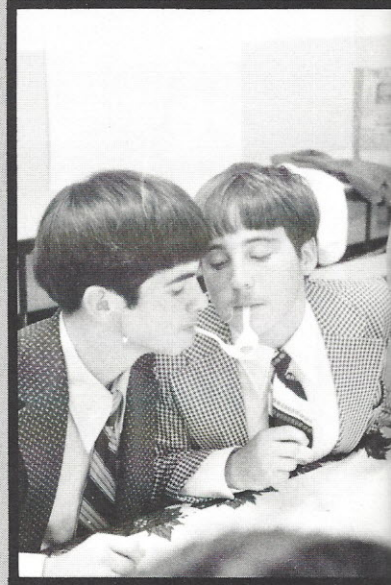

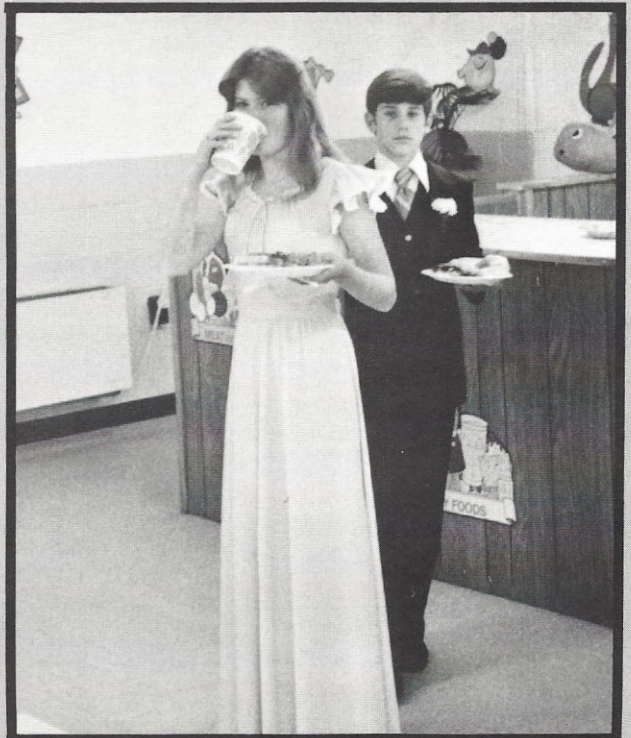

The Sports Banquet this year was one of the best ever. Our guest speaker was Mr. William Barfield, head soccer coach at the Citadel. Mr. Barfield's address was challenging to say the least, and we were later entertained and astonished by a film of the Junior World Soccer Championships. When the awards were presented, everyone was happy, but not too surprised at the results. Tony Pilo won MVP in all three sports, and Lynn Nettles won the Outstanding Cheerleader award. Thank you for making the Sports Banquet '79 a memorable occasion.

Chorus

Mr. Bruce Kerley, Choral Director, did an excellent job with the Music Department this year. With the Ambassadors, the Junior High choral group, and Sound of Truth, the Senior High group, Mr. Kerley staged a moving interpretation of Dicken's *A Christmas Carol*. The modern day Scrooge was portrayed by teacher Mr. Chip Register, and Scrooge's clerk was modified into

a Christian washwoman done by another teacher, Miss Debbie Bailey. Student readers were Charles Gooding, Danny Bird, Terrie Priester, Janis Segars, Johnny Bird, and Lisa Hudson. The Fourth Grade also participated in the musical presentation. We are looking forward to "Something for Everyone," Mr. Kerley's Spring concert.

Goldilocks And the 3 Bears

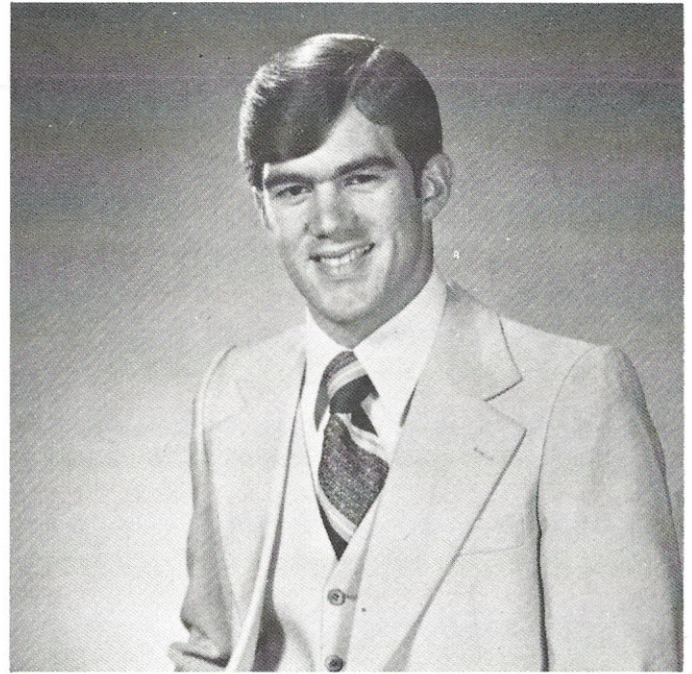

Parents and friends alike were entertained at this year's Primer Graduation. The class reenacted their version of Goldilocks and the Three Bears. Goldilocks, played by Mary Bass, stole the hearts of the audience. Graduation for these little ones went very well, and it is known that this class posted a higher grade average than any previous class. Many well wishes Primers on your road to education ahead.

This year's Pathway will be full of changes. Mostly this is due to having the first organized annual staff. The staff along with their advisor, Mr. Chip Register have put many long and hard hours into the annual. We hope the '79 Pathway will truly be a memorable record of yesterday's experiences.
