Cadet Prayer

Heavenly Father, we beseech Thee to behold with Thy favor this, our Academy, that, through the care and instruction of the young men committed to it, Thy Name may be glorified.

Be Thou guide to those upon whom rests its government; enlighten with wisdom those who teach; and grant that we who learn may be blessed in our studies, and our characters so molded that we may evermore stand fast in Thy truth and abide in Thy love, through Jesus Christ our Lord.

Amen.

—By THE RIGHT REVEREND ALBERT SIDNEY THOMAS (1873-1967),
Sometime Bishop of the Episcopal Diocese of South Carolina.

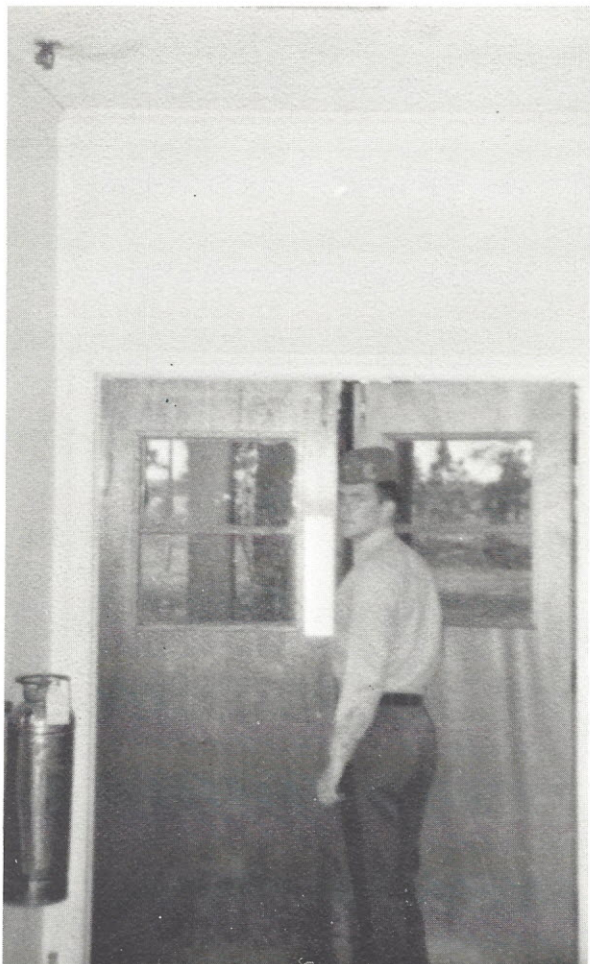

FOREWORD

Through these dark, hallowed and immortal halls, pass the range of emotions we have molded into the walls of Camden Military Academy. With excitement, we have visualized the unknown adventures of our adult future, felt the frustrations of cadet life, yet with sadness and despair, we have also witnessed the passing of this dynamic phase of our development. Our progress this year has so become a part of our lives that it will subconsciously guide us always. But who is to say what will be on the other side of the door—for the seniors and those not returning, it will be a new and challenging life.

There is life here at Camden Military—vigorous, purposeful, an all enveloping life. We sometimes find ourselves caught up in the moments, swept aside by the rush until we are unable to take place guiding it. We become a part of something powerful; we are invigorated and sustained.

But as the hours turn to days, so does the present turn to past, but as you look back upon your memories—the souvenirs of your stay here—I hope that through the hard and countless hours of work put into this 1968 **EXCALIBUR**, by the **EXCALIBUR** Advisor, Capt. Sims; Editor-in-Chief, Jimmy Johnston; and the staff members; will help you to relive your impressionable days you enjoyed here at Camden Military Academy.

COL. J. F. RISHER

Col. James F. Risher was born in Hampton County, South Carolina on November 26, 1889. After attending the South Carolina public schools, he completed his formal education at The Citadel in 1911. Eleven years of public school teaching ended in 1922 when he became an instructor at Carlisle. Becoming Headmaster in 1928, Colonel Risher was destined to become a leader in southern preparatory schools. The year 1958 saw Camden Military Academy become an even further accomplishment in his contribution to the education field. His vast experience now enables him to guide the lives of the combined corps of the brother schools.

He has always been able to forego a busy schedule in order to encourage and challenge the young men in his life with his eloquent and timely parables.

COL. L. P. RISHER

Col. Lanning P. Risher was born on September 19, 1931, son of our President, Col. James F. Risher. His birthplace was in Bamberg, S. C. He attended the public schools of Bamberg, Carlisle Military School, and The Citadel, where he graduated in 1952. In 1953, he entered the army as a 2nd Lieutenant. In 1955 he came out of the Army with the rank of 1st Lieutenant of Infantry. Upon completion of his active duty, Col. Risher started teaching at Carlisle. He remained there for three years. He then came to Camden to take the job of Headmaster. In 1965 he received a M.A. degree in history from the University of South Carolina.

Col. Risher has put forth much effort to make Camden Military Academy a top grade school for everyone to be proud of. It is the opinion of the cadet corps that he has done this and much more. We of the EXCALIBUR staff salute you, Col. Risher, for a job well done.

CMA Wins Opener, 21 To 13

Camden Military Academy opened its 1967 football season last Friday, Sept. 15, with a thrilling 21 to 13 victory over Spartanburg Day School.

The CMA Spartans took the opening kickoff and drove 75 yards for the game's first TD. Jimmy Johnston scampered the final 25 yards on an end sweep for the touchdown. Billy Owens added the extra point.

CMA controlled the ball most of the first half but didn't get their second TD until late in the second quarter. Billy Owens burst through the line and shook off four would-be tacklers and sprinted 51 yards for the score. Fullback Kenny Smith added the point.

Spartanburg dominated the third quarter and scored on a

ing 76 yards. Ron Chapman scored both TDs and one extra point for the Day Schoolers.

CMA came back in the final period to ice the game when Owens scampered 43 yards to the Spartanburg 4. He scored on the next play and Joe Kellehan added the point.

Turning in outstanding performances for the Spartans were Owens, who amassed 196 yards rushing; Kenny Smith, Jimmy Johnston, Bobby Ebener, Phil Coleman, John Peebles, Joe Shealy, Mike Witmore and Ronnie Evans.

CMA Tops Lockhart, 35 To 26

CMA Tops Lewisville, 48 - 6, For Fourth Straight Win

The Spartans of Camden Military Academy rolled to their fourth consecutive victory Friday when they crushed Lewisville High, 48 to 6.

Lewisville jumped to an early 6-0 lead when Les Thomas went 70 yards on an end sweep on the first play from scrimmage. The extra point attempt was smothered by Walt Isenburg and Joe Shealy.

Shocked, the powerful offense of the Spartans, which has averaged 32 points per game, got rolling as Jimmy Johnston picked up 10 yards on CMA's first offensive play. After Joe Kellehan picked up eight, Johnston scored on a 15-yard scamper. The try for the extra point failed, and it was 6-6.

Kellehan put CMA on the scoreboard again when he plucked a Lewisville pass, which has been deflected, out of the air and raced 25 yards untouched across the double stripes. Kenny Smith added the extra point and it was 13-6, CMA, at halftime.

Fullback Smith wasted no time in making it 19-6 when he bulled his way into the end zone from the Lewisville 25 early in the third quarter. Johnston added the point after, and it was 20-6.

Johnston sprinted 70 yards for a TD the next time CMA gained possession, and the route was underway. CMA's Roland Smith snared a Lewisville pass on the third play after the kickoff and returned it to the Lewisville

2 CMA Backs Led Spartans To 6-3 Season

Two of the top running backs in the area led the Camden Military Academy Spartans in the 1967 Statistics.

Kenny Smith, the big 220 pound fullback from Chesterfield, lead the team in rushing and tackles. Smith is still considering different offers he has received from some of the large Southern schools. Jimmy Johnston, this years co-capt. from Columbia, is headed for the Air Force Academy. Johnston was second to Smith in rushing and tackles, while leading the team in pass receptions. Junior quarterback Steve Skidmore (Charlotte, N. C.) completed a total of 34 passes, good for 511 yards. Kenny Smith lead in the scoring department with 74 points.

The Spartans posted the best season in the school's history - winning six while losing 3 (two being top ranked teams in the state).

Spartans Defeat Carlisle

The Spartans of Camden Military Academy ended their most successful season last Friday by blasting arch-rival Carlisle Military School, 25 to 7.

CMA's offensive unit was sluggish in the first quarter, although Bobby Ebener moved the Spartans for three first downs. Kenny Smith and Jimmy Johnston carried the rushing load, but the Cadets could not get on the scoreboard.

The Spartans' defensive unit held the visitors to one first down during the first period. Hard defense was displayed by End John Peebles and Tackle Joe Shealy.

Carlisle got on the scoreboard first with only two second left in the half as Robert Buck rammed over from the two and John Kershaw kicked the extra point.

CMA came back an inspired team in the second half, taking the kickoff and marching the length of the field, with Skidmore passing to Jimmy Johnston for the TD. The extra point was no good, and it was 7-6, Carlisle.

The Spartans' go-ahead score came in the fourth quarter on a 10-yard pass play from Skidmore to Bobby Ebener. Johnston added the extra point and it was 13-7, CMA.

Spartans Headed For Best Season

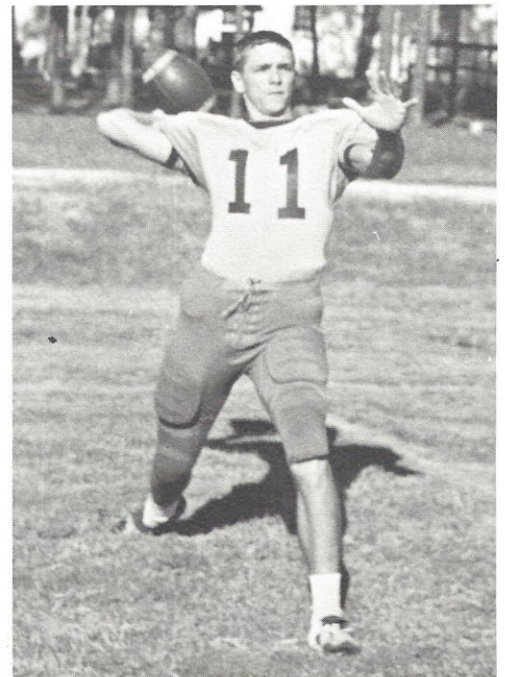

Football began in the heat of the August sun and ended on a hot day much the same as we started. In-between there were more downs than ups. Sometimes the Spartans played harder, and better than was expected of them, sometimes not, but they always had the right attitude and spirit of a well-coached team. The players had respect for their coaches and worked hard for them and any of the 1967 football players will tell you that this is what led them to a 6-3 season.

With only three and a half weeks to go before the first game, the coaches set to work to try and mold a football team out of five returning lettermen and eighteen new ball players. The boys worked desperately trying to make a comeback from the 2-7 season the year before; but nobody really knew what combination we had. With only a day to go and a 135-mile ride ahead of us, the team felt ready to test their skills against Spartanburg Day School.

A cold sweat was felt by all the players as they awaited the starting whistle at Spartanburg for they all knew that this game would tell whether or not they had a winning team. With few players having the proper experience that their positions required, the Spartans set to work as a team and grabbed an early lead. Bobby Ebener, a first year senior, played an outstanding first half at quarterback and led the team into the dressing room with the scoreboard showing the cadets ahead 12 to 0. The cadets scored once again in the second half to win the ball game 21-13.

The cadets, suffering from the pride of winning, fell prey to the strong, fast Bishopville team. Before the final whistle blew, the cadets lost five starting players. Although the Spartans put on an outstanding defensive show the first half, they were unable to contain the running attack which lead Bishopville to a 30-0 win. All the players walked off the field that night with the pain of their first loss, but Coaches Dukes, Webber, and Johnson and the five returning lettermen, Johnston, Coleman, Emerick, Smith, and Jackson remembered the night a year ago as now they fell victims to Bishopville two years in a row.

After feeling the pride of winning and the sorrow of losing, the Spartans were looking for another win, but hopes looked dim and morale was low as the Spartans challenged Lockhart on their field. Things looked even worse as the speedy right half back, Billy Owens, was out with an injury, but it did not take long for Billy's replacement, Joe Kellahan, to boost the spirit up as he darted across the goal line three times to the amazement of his own teammates. Though Lockhart matched score for score, Kenny Smith showed his skills in scoring as the Spartans took their second win.

The Spartans riding a 2-1 start wanted another win as they took on the inferior Dreher Blue Devils. The cadets took an early lead and soon turned the game into a rout as the second and third string added on more points. The Spartans had won their third game 56-0.

JOE SHEALY

Kenny Smith bulls his path for a score.

TUBBY PEEPLES

Still after revenge from last year, the cadets greeted the Flora Falcons for another day of sportsmanship. The Spartan's offense grabbed two quick scores as kicker, Kenny Smith, set the Falcons deep in their own territory with his soaring long range punts. Flora's offense was unable to start a drive as the Spartan's defensive line, Mauldin, Isenburg, Shealy and Evans, led by the defensive captain, Phil Coleman, held the Falcons to only one touchdown. The final score was 28-6.

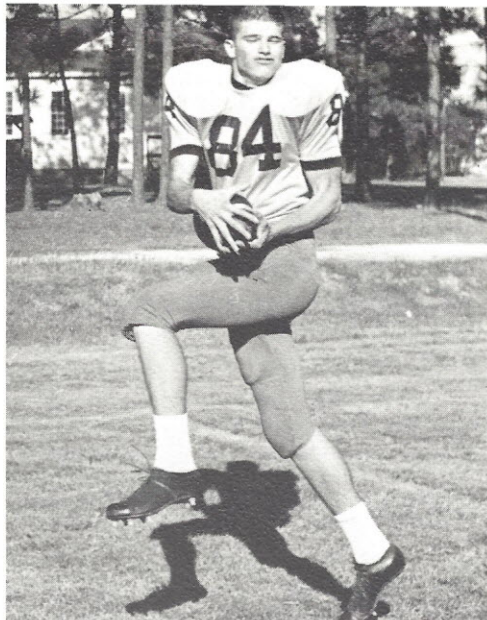

Football

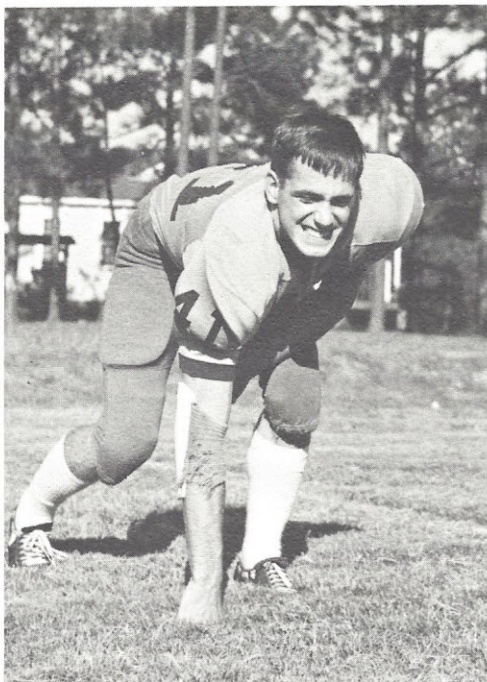

KENNY SMITH
Fullback

Lewisville was the fourth team to fall prey to the Spartan's powerful offense. Although it was the Lions' homecoming and they did score the first touchdown on the first play from scrimmage, this did not stop the Spartans from showing the stands what they could do. Even when the coaches pulled the first string out early in the half, it did not hinder the second string from scoring. The final score was 54-6.

To win or lose a ball game is not too important, but its how well you play. The Spartans did play their best that night against Buford and the Spartan's 220 pound fullback gave an outstanding performance along with the other Spartans, but Buford played a better game and therefore they deserved to win. The final score 19-14.

Hartsville opened the game with the first score, but the Camden Military Academy Spartans were not to be denied a score either as they plunged across the Hartsville goal line twice. Bobby Ebener scored both times with a 42-yard run and a 68-yard run. Score 60-13.

"Carlisle!" This was the sweetest victory of all for the Spartans. All previous games could have been defeats, but a victory from Carlisle would have made a winning season.

Late in the first half Carlisle scored and ended the half with a 7-point lead, but it did not take the Spartans long to realize this was the last game as Skidmore hit Johnston with a 30-yard pass to put the Spartans back in the game. From then on it was a one, two combination between the Spartans defensive line and fullback, Kenny Smith and end, Bobby Ebener to add on more points.

Outstanding players that day were Ronnie Evans, who recovered four fumbles; Ebener, who grabbed two fumbles for TDs; Phil Coleman, who made 10 tackles; the defensive line, Joe Barry Mauldin, Ike Isenburg, Joe Shealy and Ronnie Evans.

Basketball

Every day when I walked on the court for practice, there was a chill that would shake me. Just the thought of seeing that ball bounce or that net swish was almost enough to inspire poetry. But with the start of the season, this feeling changed slightly. The chill, even in the warmest buildings, would begin earlier and last longer, up until the time I ran onto the court.

This is basketball. Even when you are cold, your palms sweat. When you are trying to rest, you are too jumpy, so all you can do is walk around zipping and unzipping your warm-up jacket. You wonder how on earth that J.V. game could last so long; you wonder about the man you will guard; you wonder about the attitude of your team; you wonder about . . . and then coach Dukes comes in and spreads his patented, glassy stare along the bench, and all the wondering is over, the battle is at hand.

That was the way it was, and the way it would be. If you wanted to play, you had to hustle, hustle every day, you had to take the punishment of elbows, the embarrassment of mistakes, and the hardwood court.

Eaton shoots jump shot against Blaney in a real thriller.

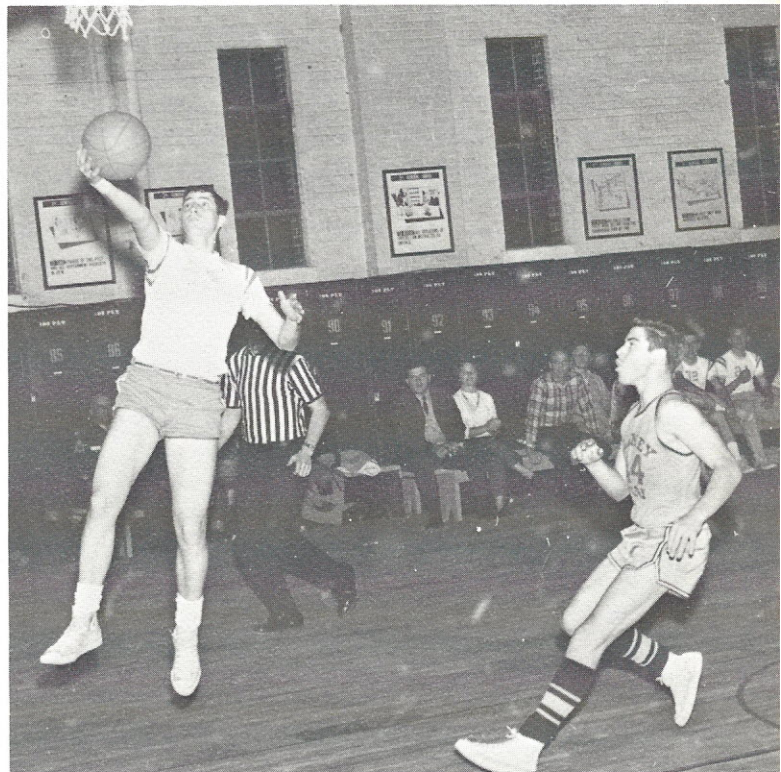

Basketball is the sweetest misery known to man. You step on the court, then run till your muscles are too weak to ache any more. Just when you feel nothing can ever move you again, a loose ball dribbles your way and you lunge desperately to grab it. Quick pass. Two points. Your hands and elbows sting; bruises begin to appear on your knees; all at once the tape begins to bind so tight, that you find it hard to move; but that doesn't matter. Just the feel of that precious leather in your hands . . . the satisfaction of knowing your job is well done . . . the solemn message from the quiet man, and you know it's all worth it.

Something about this man Terry Dukes. He quickly gained our respect with his tough, positive views about what the game was all about and our job we had to do. By the end of the season he had turned our big men into adequate rebounders and our guards into better than average shooters. He made us play defense, he made us play basketball.

We walked away winners.

Senior Class Of '68

After our first "shock of recognition" as seniors, we began to settle down to the task of assuming a role which none of us at first believed we fit. Almost imperceptibly we began to adjust to the new year, assuming positions of leadership and responsibility. We searched for higher goals and found higher values. We grew more mature and acquired a confidence to face the world. We became the spirit behind Camden Military Academy in '68.

This has been our special year, our brief days of glory we cherished with pride. We have worked hard for Camden Military and can now proudly claim a part of her noble heritage. We are prepared to take new places in a post-modern world. We shall remain content in our efforts to accept the challenges of the future.

We're the class of sixty-nine;
 We're proud of this fact, too!
 And if we had the time and space,
 This we would prove to you.
 To start with, let me tell you this
 About our hip ole class:
 We started once as lowly Subs
 And just as green as grass.
 But now Big Time has changed all that;
 To this we will attest.
 We have gotten this through the years,
 Because we have done our best.
 We will study hard because there is only
 One thought stuck in our minds:
 Not to be the class of seven'ty
 But the class of Sixty-Nine.

The door was open, in walked the class of 1970. Lost, a little frightened, we watched our identity slip away into the crowd. We were surrounded by new faces in a strange atmosphere. Gradually we came to discover the spirit of Camden Military and took pride in becoming an integral part of it. It has been a good year; the next two years will be even better. We'll make them great. You can count on the class of 1970.

Membership in the club is limited to the Commissioned Officers who attain the outstanding qualities needed to lead our young men. These cadet officers have earned their commissions by being outstanding young men in all phases of military life.

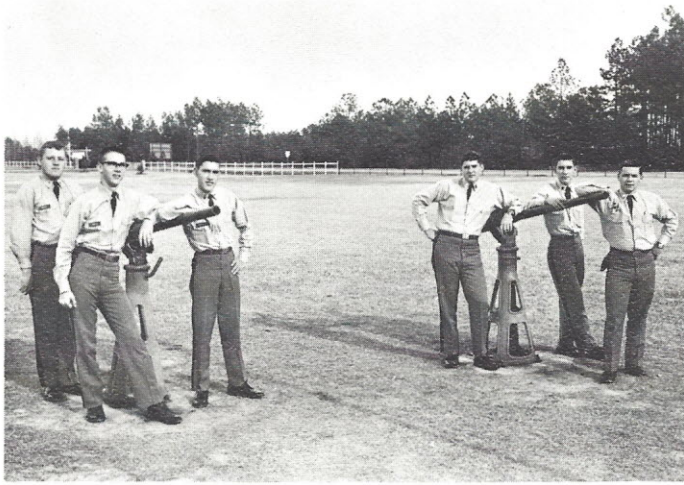

Training Cadre

On September 13, over one hundred civilians entered school here at Camden. They started out green and ended up trained cadets after their six-weeks training period. The Training Cadre plays a very important part here at Camden and this year's

was a complete success in training the new cadets. The Training Cadre is chosen from non-commissioned and commissioned officers on the basis of merit and leadership abilities. We salute the job the Training Cadre did this year.

Non-Coms

To take charge of my post and walk my post in a military manner. . . This is what is expected of a non-com here at Camden Military. The non-commissioned officer plays a very important role in maintaining military standards. We are very proud of the work our non-coms have done this year.

Senior Drill Team

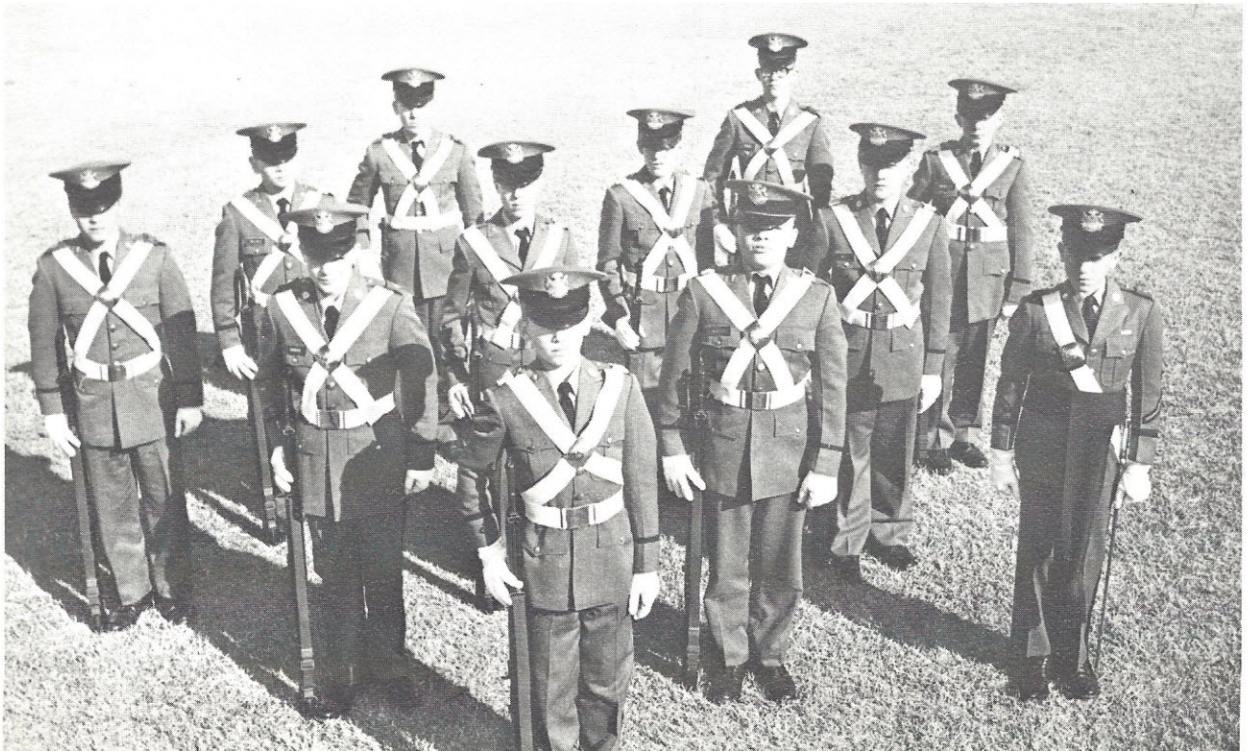

DRILL TEAM 1967-68

The J. F. Risher Guard, now in its second year, has been a great success. They have performed in numerous parades and athletic events. Among their honors was second place in all events at the Annual

Christmas Parade in Cayce, South Carolina. Under the command of First Lieutenant Litherland they have been forged into a precision team. The outstanding reputation set by them will be hard to beat.

JUNIOR DRILL TEAM

The R. O. T. C. Program

Reserve Officer Training Corps means that anyone enlisted in the program is being trained for further service in the Army's plan for tomorrow. It does not make a great deal of difference if one is taking the Junior or Senior ROTC program because both are basically the same, except the Senior has more work to it, and will usually get the graduate a Commission in the Active Army.

Here at Camden Military Academy, Reserve Officers Training Corps means a new and different life from the ordinary role that is played out of military schools or service. It takes a civilian who, usually has two left feet and knows basically nothing about military obligations or duties that are expected of a serviceman.

Our program consists of three years of military science classes. The first year is usually taught by a Sergeant, the backbone of the army, who instructs the new cadet in military courtesy, custom and personal appearance. The second year consists of the basic idea of warfare and the small unit dispersion of troops. The third and final year of ROTC here at Camden is used trying to smooth over the rough edges that were missed in the two earlier years. It tries to find out if you are a true leader with men under pressure or not.

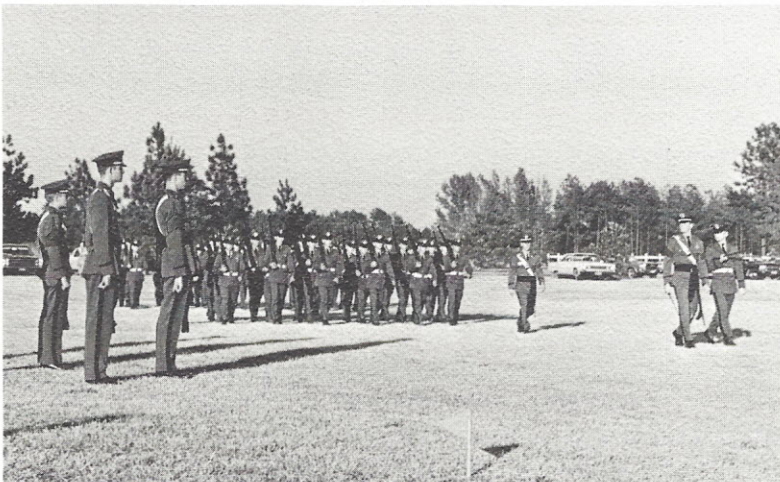

Here at Camden the program is not all work and no fun. Sgt. Wilson has developed an excellent drill team. Capt. Ware has a fine rifle team and both Capt. Ware and Sgt. Wilson have experienced excellent results.

CMA cadets assist in riot control by helping National Guard.

Capt. Ware and Sgt. Wilson start cadets off on maneuvers March 16, 1968.

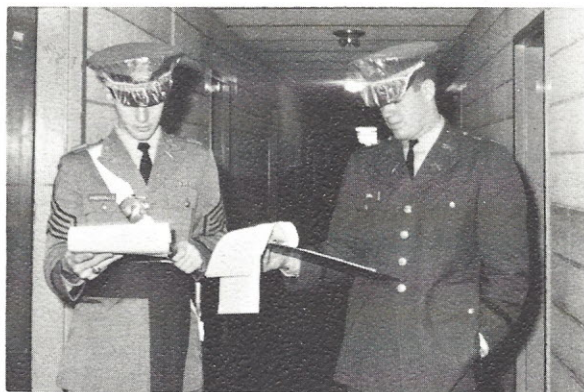

Lt. Col. Anderson reviews Company C as it passes in review.

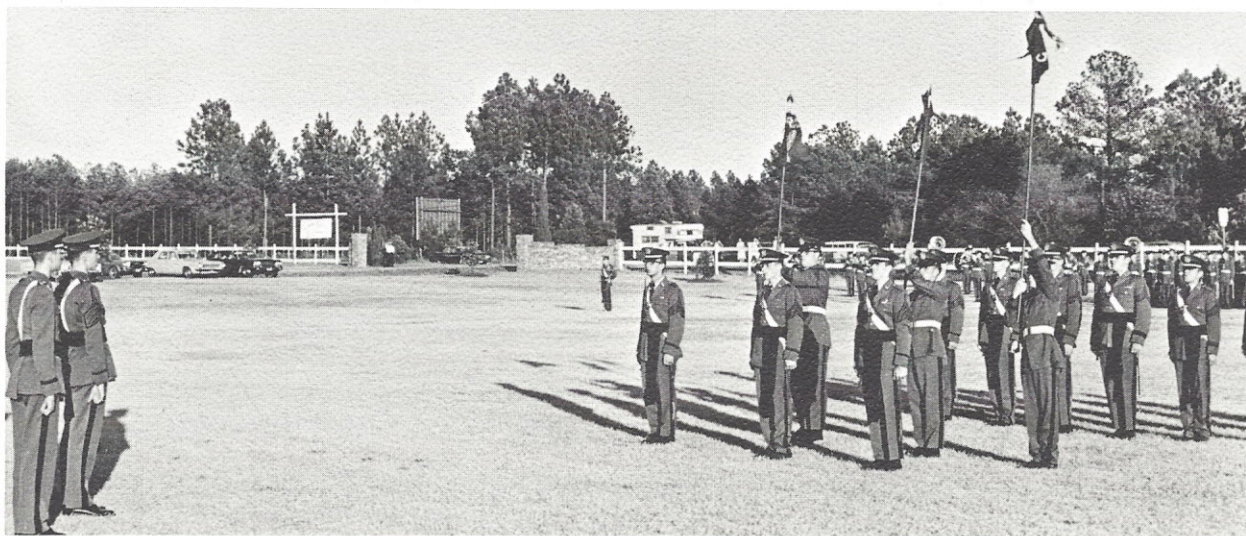

Col. Risher salutes cadets corps as it passes in review.

Camden Military Academy is the place where ROTC cadets come, in the beginning of September to the end of May, to be initiated into the mystic rites of the United States Army. The ceremonies are steeped in cabalistic ritual. The cadet learns most significantly the talismanic use of such utilitarian articles as beds, floors, and latrines. Beds are not to be slept on, they are to be made up; floors are not to be walked on, they are to be waxed and buffed; and latrines—See Sgt. Wilson and his FM66-1.

"Baker . . . get to class!" Capt. Ware demands during maneuvers.

Honor Council

Elite among the cadet groups is the Honor Council. This board, composed of all Cadet Captains and the Cadet Lt. Col., and guided by our Assistant Commandant, Major William T. Beckham, is the judicial committee which reviews any serious violation of the cadet regulations. All evidence and witnesses pertaining to the case are brought before the council. A verdict is then submitted to the Headmaster for approval.

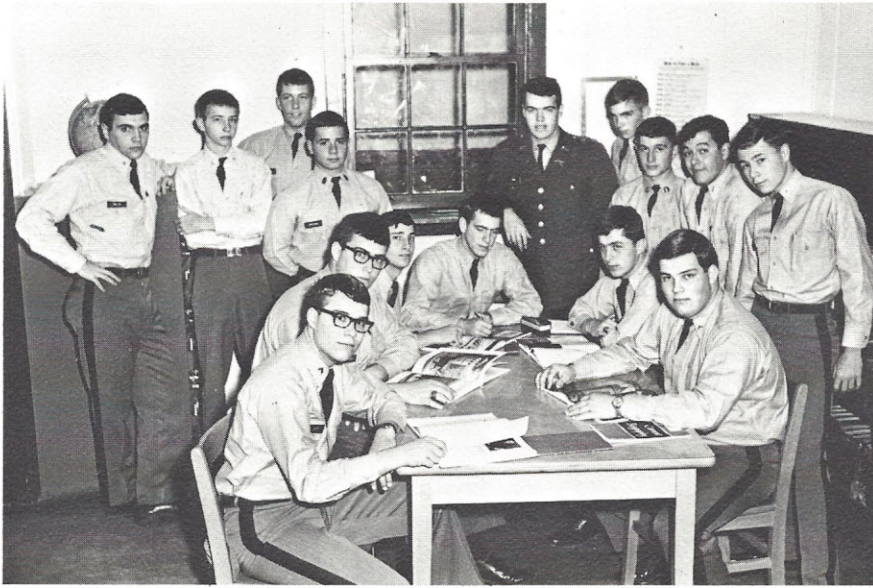

Since this council possesses unlimited authority in the expediency of these matters, it is essential that its members have the qualities and fairness.

Excalibur '68

The 1968 EXCALIBUR staff has worked long and hard to produce this book of memories. Work began in August with the returning of the '67 EXCALIBUR members. At this time Jimmy Johnston, Editor; Capt. Sims, Advisor, and the other staff members went to work on the layout. By the time school began all of the staff members had begun work on the "best annual ever."

The staff is actually divided into two groups. The Production Staff starts from scratch and finishes with a yearbook representative of an entire school year. Production begins with the layout and progresses with write-ups, headlines, and pictures.

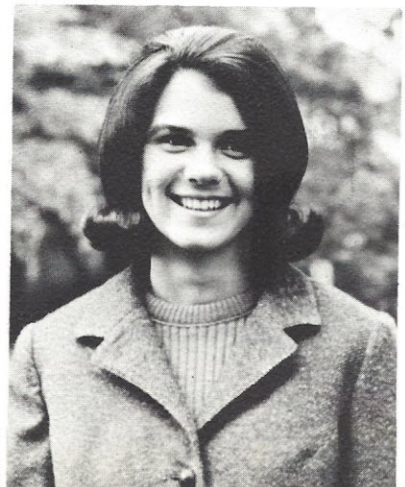

The Business Staff has the responsibility of solving the problems of finance. This is done by selling annual ads to various businesses throughout the area, and collecting profits from the sale of class pictures.

Although much hard work has been required for the publication, each staff member has had much enjoyment in producing the 1968 EXCALIBUR.

"C" Company . . . The babies on campus, but the men of the battalion. Men in morale, and spirit; though lacking in size, they stand tall in leadership among other cadets on campus. You can tell a "C" Company cadet anywhere by his manners and respect; for these come first in his social and cadet life.

Compliments to the Seniors of '68 from Band and Staff.

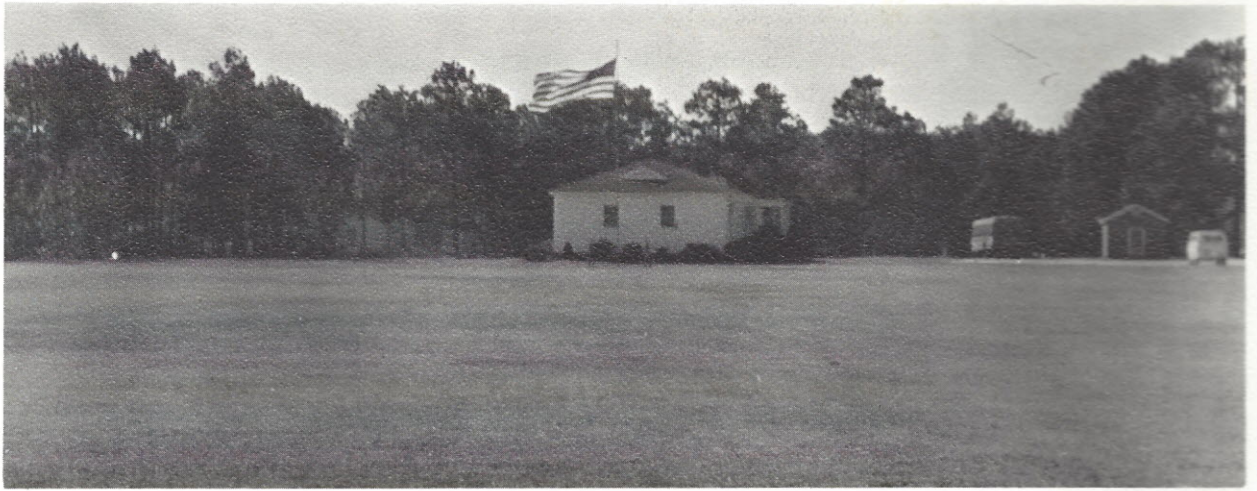

Would You Believe?

Rose on O. G. . . . Orderly of Garbarge.

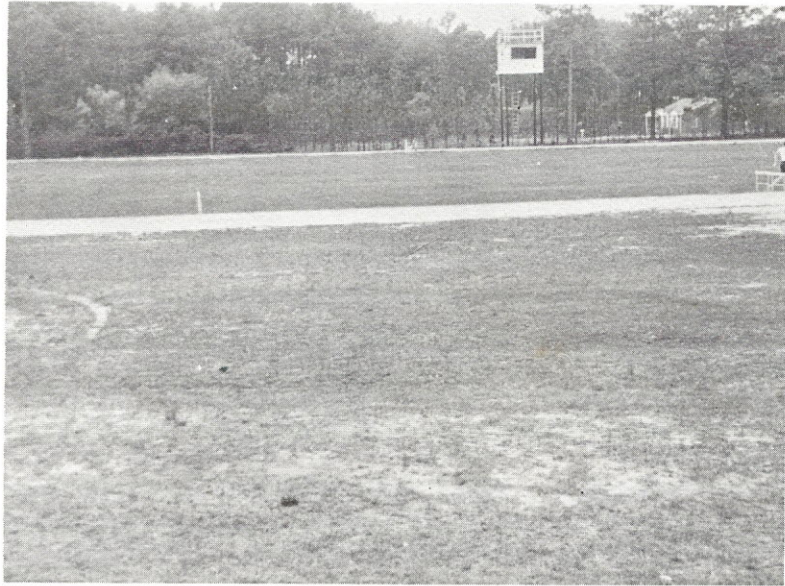

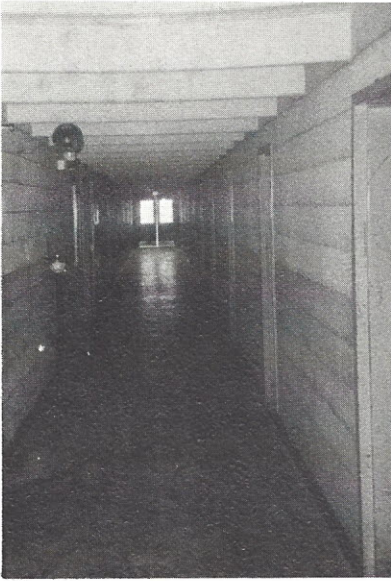

Adams down a straight line.

Four Tops performed at our Junior-Senior. There were four of them and they were on top of the stage.
It only took ten minutes to form up for our first, and last fire drill this year.
Rose spotting a fly at twenty paces . . . on his nose.
Colombo and Creedon whistling Dixie in the shower.
Yesterday we came; We did our work; We took the rings on our heads; Today . . . Today it's different. This has been OUR YEAR. The year known by all seniors as OUR YEAR. This was OUR YEAR to sit on the Cess Pools, OUR YEAR to smoke in the canteen.
The Academy has been, for each one of us, our largest stepping stone in life thus far. None of us will ever shed the memories instilled on us by the Academy. CMA will forever be within our minds, and may we pray, that we, as a class, have done something that will enrich the lives of those we now leave in our footsteps.
Yesterday we came, today we rule, tomorrow it is yours, for we are gone.

The day rushed by in blur of impressions; every hour has brought something new, and we have not been conscious of time. But finally a bell rings, and we relax. A day comes to an end with a burst of enthusiasm, an explosion of release.

Yet nothing has really ended. A day has passed, yes . . . but there will be others, all different. What we have gained and given today is permanent; each experience has shaped us, however slightly. This has been a day of life, of growth of excitement—our day.
