

CMA Spartans scattering the defense.

## THE BATTLING SPARTANS

### *Honor to the vanquished.*

Forty-one Varsity Spartans started the season, but injuries, human frailties, and other difficulties narrowed the squad to 26 players. Hardly one of CMA's better seasons, the team finished with a 0-9 record. Morale was not high through the year. Abundant talent failed to compensate for inexperience.

Head Coach Tom Huff and Defensive Coaches Kim Deese and Lee Delinger persevered through thick and thin. The entire team managed to have a good time and that's what really counts in any sport.
