

# CADET LIFE

In order for cadets to be successful and well-rounded, it is imperative that each cadet participate in activities outside the classroom that will expose them to experiences "outside the box". Currently, physical training and drill are required of all cadets. Our no-cut policy assures a place on the athletic teams of his choice for every cadet who wishes to participate. In addition, intramural sports during activity periods provide opportunities for cadets at all skill levels.

"I spend my free time here at CMA hanging out with my friends. We do things like go to the Carlisle House or play football or frisbee outside. The school offers a lot of things to do and we have a lot of fun during free time."
