AR FLOOD

Drivers attempt to drive around barricades blocking flooded roads, creating additional challenges for rescue crews. The U.S. Coast Guard is called in to assist with more than 140 rescue missions. Parts of Interstate 95 are shut down for days as crews inspect bridges.

President Barack Obama signs an emergency declaration to make federal aid available to the state. Federal disaster areas are declared in 22 counties. FEMA is authorized to coordinate disaster relief efforts. Approximately 52,000 South Carolina residents apply for assistance.
