Foreword & Mission Statement

FOREWORD

Another Year has passed at Camden and as we look back we realize that we are richer in spirit. We have learned to live a new way of life, made many new friends, and learned many worthy lessons. As we leave now, perhaps never to return, we remember Camden as a series of experiences, and as life goes on we will often think back and remember fondly some incident of our life here.

In the future, one may wish to return to the past and savor the memories he has of the life he experienced here. But memories may grow dim with the years, and one may not be able to remember what he felt, what he saw, and what was said.

This, then, is the mission of the 2018 *Excalibur*: to contain within its pages life at Camden, those experiences that shaped our lives and made our years here richer and fuller. If, then, in the future, one reads over our edition and remembers once again what Camden was to him, our mission that has been accomplished.
