(Seth Peters, Flagler Beach, Florida)

"My favorite trip was the Carowinds trip because I got to ride a bunch of rides with my new friends from CMA. My favorite ride was the Drop Zone because we didn't know when we would fall and it was a thrilling experience!"

(Jackson Lewis, Cincinnati, Ohio)

"The Boeing trip was my favorite trip because we got to see how planes are made. We also got to eat at Golden Corral where they have a chocolate fountain. It was pretty cool."
