FOREWORD

WE, THE STAFF of THE '43 REBEL, yearbook of Carlisle Military School, will try to show you life at Carlisle as the typical cadet sees it. Cadets at Carlisle, and in other military schools, see their everyday life through different eyes and voice different opinions.

To some boys, their life at Carlisle means opportunity: Opportunity to work, to play, and most of all to learn. It is this type of boy that becomes the leader.

To other boys, life at Carlisle is merely a dull, monotonous routine. These boys do not seek opportunity, and consequently do not find it. In short, these boys are lazy. We are very glad that the majority of Carlisle boys do not have that attitude toward life.

The staff of THE REBEL take this opportunity to express their gratitude for your fine support which made this, the first volume of THE REBEL, possible. Had it not been for the enthusiastic support of the Corps of Cadets and our advertisers, the publication of this annual would not have been possible.

Young Gentlemen:

Let me urge each of you to follow the simple Path of Duty. It leads through valleys of disappointment, up hills of difficulty, through deserts of doubt and self-denial, and sometimes down into the darkness of an unknown tomb. It does not end there, but leads on into the glorious sunlight of an eternal Resurrection; to joy, and true success.

Faithfully yours,

JAMES F. RISHER,
Head Master.

BOTH the school and its activities were hard hit by the war. Few athletic trips could be made on account of gasoline and tire rationing. In the mess hall, we had to be more careful with sugar and coffee.

Most of the seniors will go to army in June.

So you can see that the war has affected the school very much this year. But we, the Corps of Cadets, have tried to do our share in the war effort.

ORGANIZATIONS

HONOR COUNCIL

THE HONOR COUNCIL has been a great tradition at Carlisle for many years. It is composed of seven cadets selected from the student body with a faculty adviser. This group is on the order of a jury. It awards punishment to the cadet or cadets for violations of rules which reflect discredit on the honor of the Corps of Cadets.

This Honor Council meets in secrecy with no one except the members and a faculty adviser. It calls in witnesses and questions them when necessary. After the evidence has been weighed, the members of the council decide upon the verdict of guilty or not guilty by means of a vote. After the verdict has been decided, the Honor Council decides on what punishment shall be awarded. The verdict, along with the recommended punishment, is then submitted to the Commandant of Cadets and the Headmaster for approval. When this is approved, the punishment is announced through a special order.

It is a great honor, as well as a great responsibility to be a member of the Honor Council. The cadets chosen to receive this honor are elected by the Corps of Cadets on recommendation of the faculty. The members of the council are, for the most part, commissioned officers.

TAU SIGMA EPSILON LITERARY SOCIETY

THIS SOCIETY was formed this year after many years of inactivity. The purpose of this organization is to develop the average boy in many different ways. Among the most important of these are debating and public speaking.

The Society hopes to sponsor a Senior Play this year.

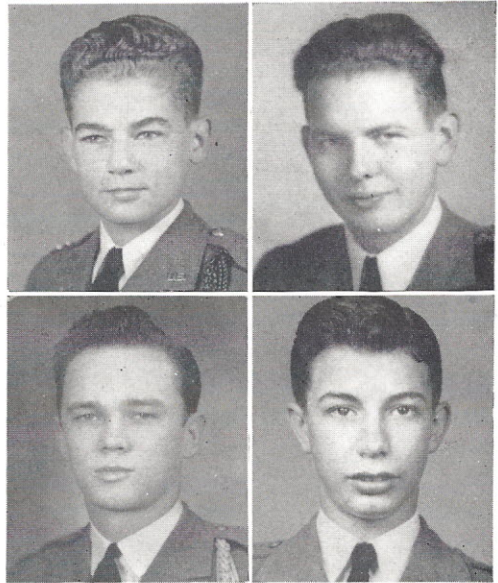

The Society is governed by an executive committee which consists of the following boys: Merritt DeLaMater, John W. McKenzie, W. Homer Smith, C. Russell Price, and Rolf Paul. Capt. C. G. Green is the faculty adviser.

THE CROSS SABRE CLUB

THE CROSS SABRE CLUB is one of the many clubs which has been continued for many years. The club is made up of commissioned officers. Each year, the club sponsors a dance, and at the end of the year, the members have a party.

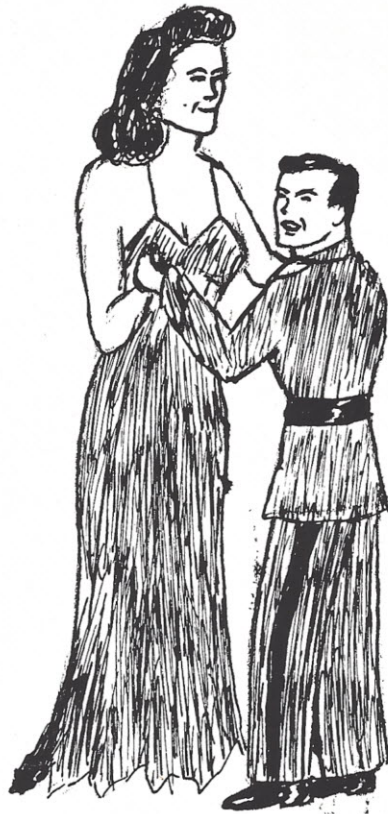

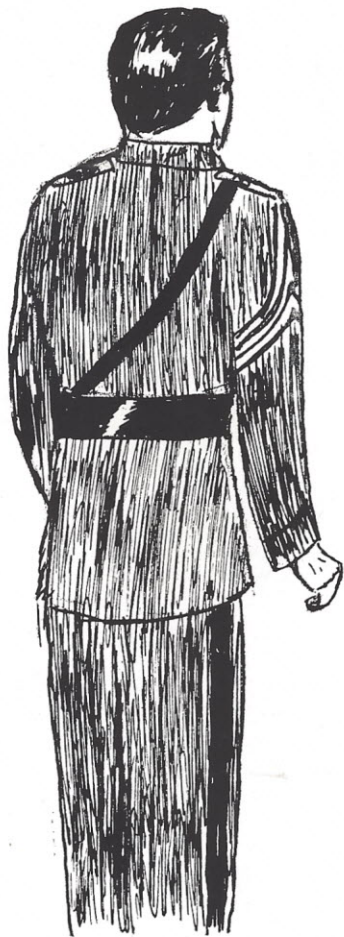

The officers meet together once a week on Saturday night. During the meeting, they discuss ways for improving the school. Many improvements have been made by suggestions that have come from such meetings.

Let's hope that this club will continue and carry on its good work for many years to come.

ATHLETICS

THE SEASON

THE GOLDEN CYCLONE began practicing early in order to show Coach Burnett what material he had with which to build the 1942 Carlisle team.

After weeks of strenuous practice the Cadets opened their season by defeating Orangeburg High School 19-6. This was a hard-fought game with Watson, Collins, and All carrying the ball for considerable gains. The Cadets scored in the first and third periods behind the blocking of Williams and Turner.

The "Golden Cyclone" then journeyed to Columbia to tangle with Brookland-Cayce High School. Both teams seem to have been somewhat off because they played on even terms until the Cadets began to click in the fourth period when a spot pass was completed from Collins to MacDonald in the end zone. Said, All, Hetzer, and Jackson played a brilliant offensive game with Laverty, Price, and Dorman doing fine defensive work.

In a return game with Brookland-Cayce the following week, the "Golden Cyclone" won easily by the score of 30-0. The Cadets scored almost at will, relying mainly on short passes. The Cadets did a marvelous job on offense with Said, Griffith, Watson, MacDonald, Tyson, Collins, and Berry making numerous gains throughout the game. Turner, DeLorme, Jackson, and Gay drove through the B-C line breaking up play after play.

Winning their fourth consecutive game the "Golden Cyclone" once again contributed thrills and excitement by defeating Olympia 26-13 on the local gridiron. Early in the first period "Rut" Jackson scored from the four yard line. Watson soon followed, racing 35 yards for another marker. At the half the Cadets were leading 12-0. Early in the third period a beautiful pass from Collins to "Nig" Griffith, who in turn lateraled to MacDonald accounted for another tally. Mulligan, and Beckmann made some beautiful gains in the fourth period. Tom Berry snagged a long

THE SQUAD

pass in the end zone thrown by Beckman for the last marker. Mulligan not only made some beautiful gains, but converted two points after touchdown for the Cadets.

The "Golden Cyclone" bowed to Camden High School in their first defeat of the season by the score of 19-0. It was the largest crowd the Cadets had played before all season. Although the Camden lads were small, they proved very effective. The Cadets played a bang up defensive game but lacked the punch to get their offensive machine started. Gay, Lemmon, and Castles did great work at the tackles while DeLorme, Turner, and Williams were continually breaking up plays behind the line of scrimmage.

A rather large Homecoming crowd saw the "Golden Cyclone" tangle with Porter. This was a hard-fought game with Porter coming out on top with a 6-0 victory. The Cadets played a great offensive and defensive game but bad breaks cost them another victory. All and Watson played a great offensive game. Turner,

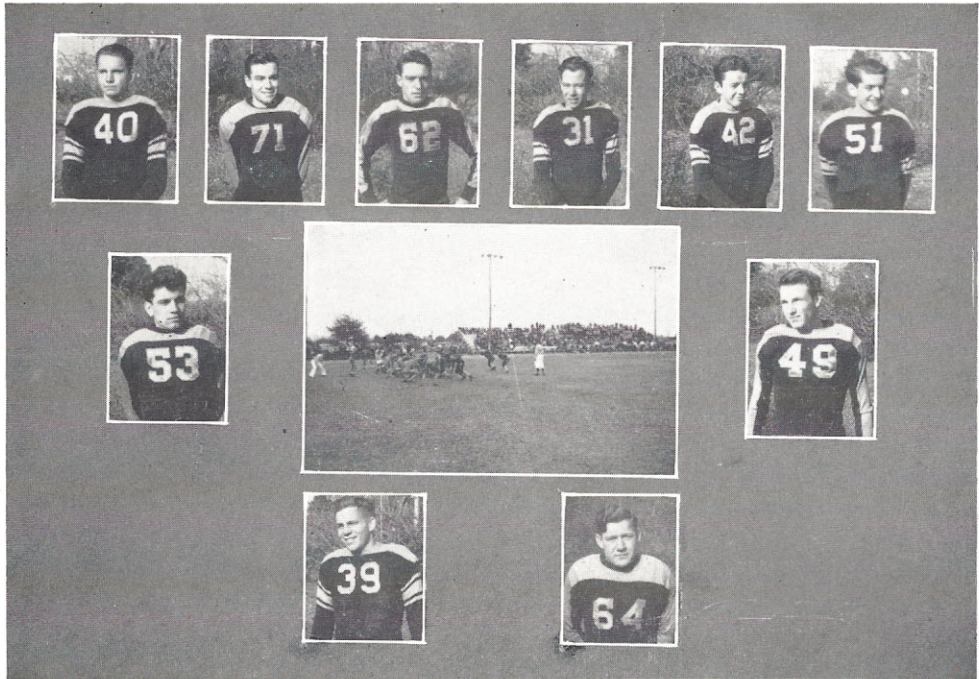

DeLorme, Gay, Lemmon, and Castles charging through the line kept the Porter's aerial attack flabbergasted.

"Rut" Jackson, who played nearly every minute of every game this year, proved to be a great leader, and he was elected Captain with "Buddy" Watson as alternate Captain.

Captain "Rut" and the seniors will be sorely missed next year, but there's a scrapping bunch of pups eager for a chance to fill their cleated shoes. So, farewell, seniors; you've done your share, come on pups! Let's win!

THE 1943 CARLISLE QUINTET had a short and successful season with four wins and no defeats.

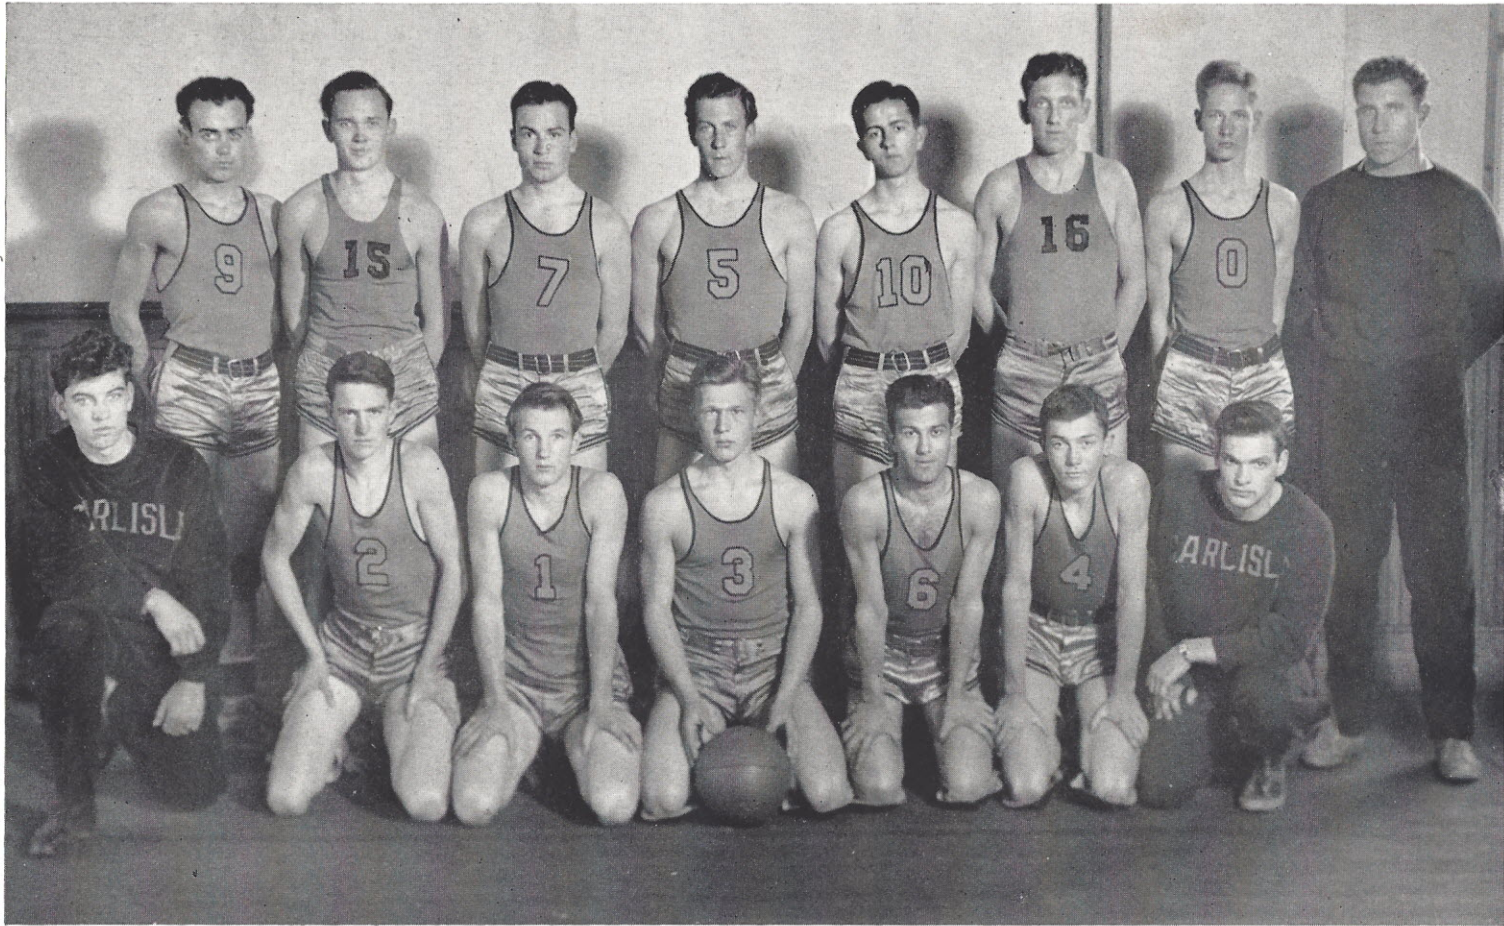

The Cyclone opened the hardwood season against Orangeburg High School displaying a fair offensive and mid-season form on the defensive. Lolly McKenzie was high scorer with 10 points. Berry accounting for 8 points. The final score was Carlisle 21-Orangeburg 11.

Against Orangeburg a few nights later, the Cyclone had an easy victory over the Orangeburg quint with Captain Miltiades running up 16 points, and Berry racking up 8 points. Lolly McKensie, Said, Carlyle, Paul, Mulligan, and McKenzie J. accounted for eighteen of the Cyclone's points. Final score Carlisle 42-Orangeburg 12.

Traveling to Holly Hill next, the Cyclone grabbed an early lead which they never relinquished and coasted to a fairly easy victory. Miltiades, Berry, and Lolly McKenzie were high scorers of the night with ten points each. Tyson and Carlyle accounted for four each. Final score Carlisle 40-Holly Hill 20.

Returning to the home court Coach Burnett's basketeters engaged Holly Hill again for the last game of the season. The Cadets rallied brilliantly with Miltiades bagging 12 points. Lolly McKenzie and Berry scored 10 each. Final score was Carlisle 40-Holly Hill 20.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff in creating their vision into material form.

Such cooperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.
