YOUNG GENTLEMEN:

*What you do speaks so loud men do not hear what you say. Therefore, let actions rather than words constitute your professions to men and your confession to God.*

Yours sincerely,  
JAMES F. RISHER.

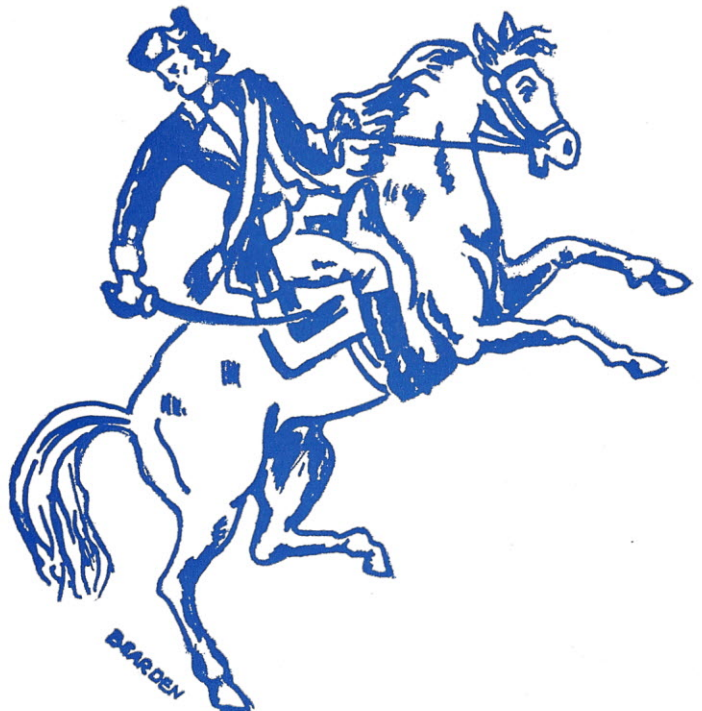

# FOREWORD

We, the staff of the 1949 REBEL, have tried earnestly to bring before you in this book a complete pictorial outline of cadet life at Carlisle Military School.

On the following pages lie the formal and informal photos of the students at work and at play. This annual includes views of the physical structures, the organization of the battalion, of the cadet as he is engaged in academic and military pursuits, in athletics, and in the extra-curricular activities of his club or society.

The student body is composed of boys from all over the United States, neighboring countries, and American territories. We are proud of our achievements and the recognition we have received through our working together as a well-disciplined military unit.

Now as you pass through the portals of youth and into the world of men where un-ending toil is the only gate to success, we hope, with all sincerity, that this annual will serve you as a brief but pleasant reminder of your boyhood days, and of the many happy experiences you enjoyed at Carlisle.

# F A C

To make of every boy in Carlisle a man, a man to serve the world as a citizen who is not afraid to stand up for his rights and fight for his liberty, a man who can take defeat in his stride, smile when hardships come his way, and toil unceasingly until the bells of victory toll triumphantly in his favor; a man who will steer his ship of life away from the path of least resistance, who will work when there is work to be done, and play when he has earned his rest—this is the ultimate aim of our faculty.

We turn to our faculty with pride and admiration, for here we find a group of men who have devoted themselves to us and to our school. They have backed

us to the limit in every action we have undertaken and have whole heartedly supported every school activity.

In each and every faculty officer the cadets find not only a leader and a teacher, but also a friend. A friend who will stand up for him, and who will come to his aid in the time of need.

Now as the year is fading slowly away we look back upon their teachings, their interest, and appreciation shown to each cadet as an individual; then we can truly say this is our faculty working together in good fellowship to make of us the men they proved to be.

Cadets at Carlisle undergo a rigid military curriculum. Aside from their daily drill and Sunday Dress Parades, the students are subjected to a maximum amount of military training in regular military science and tactics classes. Here they are taught not only to be a good soldier in war, but also a good citizen in a world of peace. These classes are instructed by the Carlisle P. M. S. & T., Capt. Waddy Thompson.

The Cadet Corps is under strict military discipline and supervision at all times. All school regulations are carried out through the cadet commissioned and non-commissioned officers, as well as the faculty.

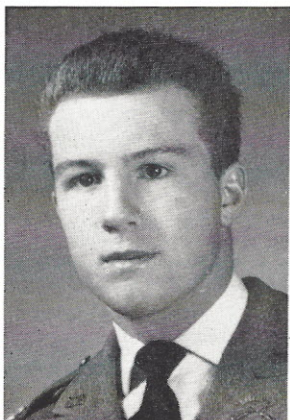

Carlisle still operates on the age old honor system, and military courtesy stands traditional.

The student body has received much recognition and praise for their functions as a well-disciplined and well-trained military unit. It is only through the complete co-operation of each individual that this achievement could have been attained.

# BAND

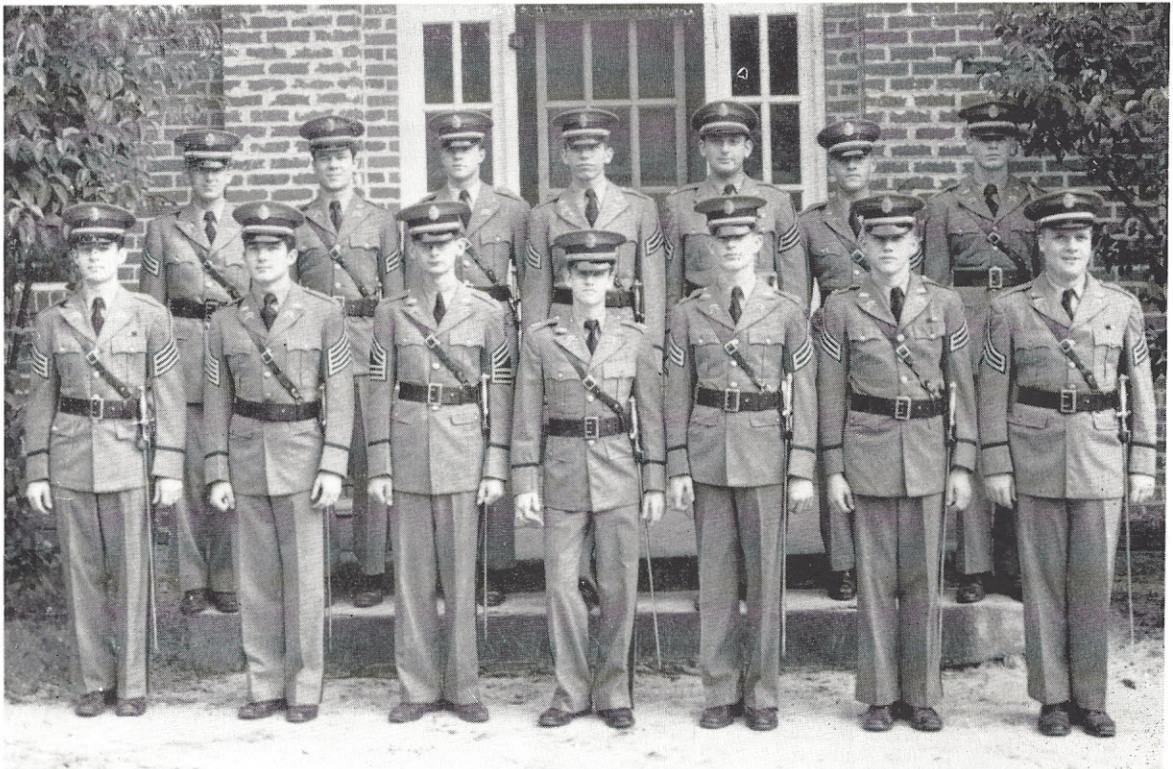

"Tradition, honor, loyalty, duty, fraternityship," these five words well describe the proudest of all the Carlisle organizations, the Cross Saber Club.

Here we find the executive officers of the student body. It is composed of the cadet commissioned officers of the battalion, the band, and the staff.

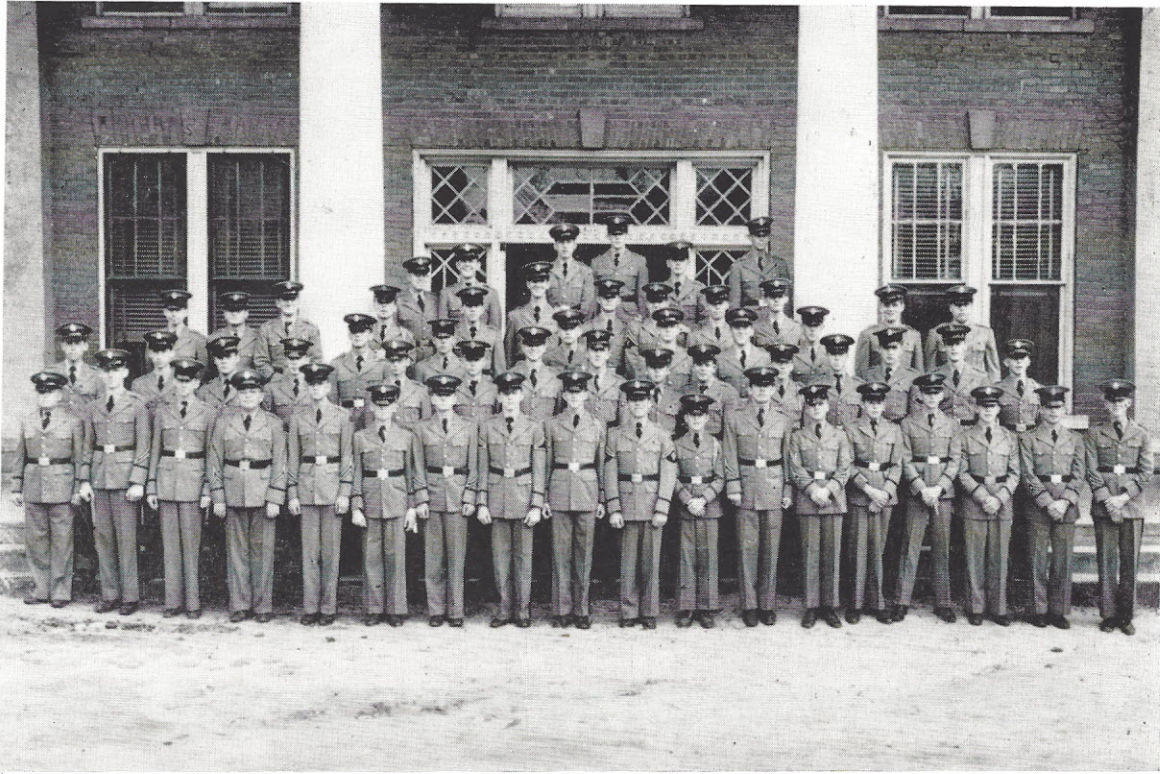

Upon these men has been bestowed an honor of the highest degree—the rank of commissioned officers. This can be achieved only through intelligent and willing co-operation and work on the part of a cadet.

Carlisle officers stand ready to help you, and to uphold the high ideals and ambitions of the school and the organization which they represent.

## Non Comm Club

In the Non-Commissioned Officers' Club we find the living backbone of the cadet corp. This is one of the best organized clubs in the school, and is in every sense of the word a leader's club.

Without their full co-operation very little could be accomplished. The success and discipline of the entire Corps of Cadets rest directly on their shoulders.

Through their aid and guidance many outstanding accomplishments have been made throughout the year.

The Non Comms work in close harmony with the faculty and commissioned officers in all school and extra-curricular activities, and may be considered as the interlocutors between the officers and the regular cadet personnel.

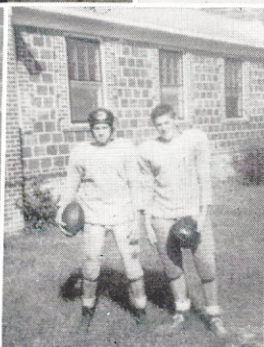

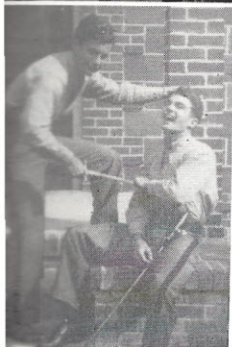

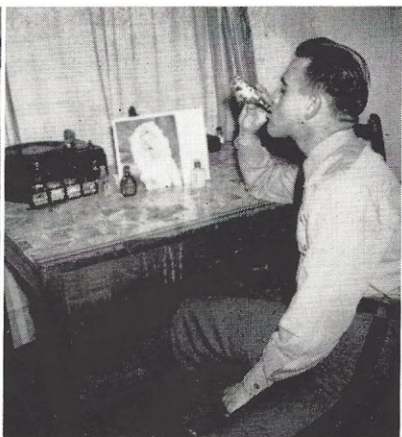

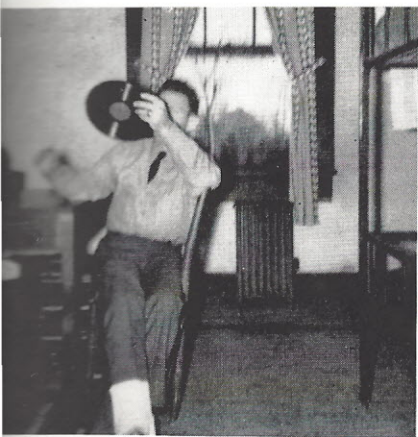

*Reading From Left to Right: SPELL, FAULK, CORBETT, B. D., CAPT. THOMPSON, Faculty Advisor; HAMILTON, JACKSON, J. B., KENNERLY.*

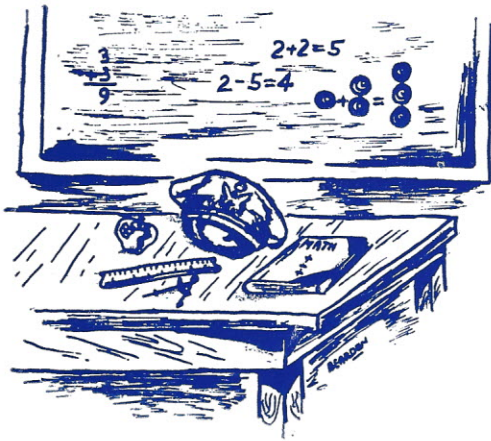

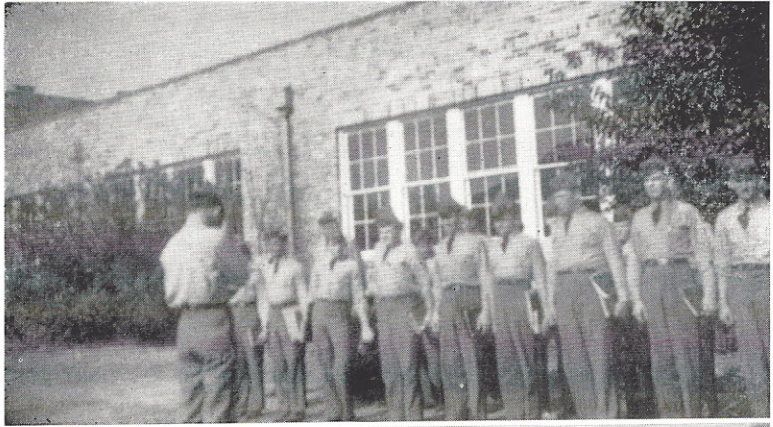

## HONOR COUNCIL

The Honor Council is composed of the Cadet Major, all Cadet Captains, and a faculty advisor.

Whenever a cadet has committed a misdemeanor which brings discredit to the honor of the Cadet Corps, he is brought before the Honor Council for a hearing. At this hearing all evidence, witnesses, and their testimonies are brought forth so that a just verdict may be reached. After the verdict has been reached, it is the duty of the Honor Council to assign judicial punishment to the cadet in question; however, before any official actions are made known the verdict and punishment is submitted to the Headmaster for his approval.

The Honor Council has almost unlimited powers in handling these matters; therefore, this group must be made up of capable, honest, and broadminded men. Men, who through their sound judgment, will see that justice is carried forth as it should be.

# SENIOR CLA

"Good day ladies and gentlemen, today we bring you the 1264th edition of the Patterson's Journal of the air, brought to you weekly over station WCMS by Rod Patterson, maker of Patterson's Cream Lotion for your hands.

"This afternoon's guest artist is Faltering Finchell, America's foremost newscaster. . . . And now Mr. Finchell."

Good evening Yankees and Southerners and all foreigners from the West. This is Faltering Finchell, your WCMS commentator, bringing you the news of the day. Today 20 years ago 69 geniuses led by Billy Faulk, now President of the Ace Hi Match Corp., graduated from Carlisle Military School.

Today we hope to bring you a brief resume of the progress or downfall of each cadet since graduation. . . .

Flash! Let's go to press. . . .

Georgia—(Special): Today the Corporation of the Lily Tulip Cup Co., managed by Will Barrett, J. B. Jackson, and Francis Smith, announced that Bill Buchanan has been dropped from the Company's payroll for failing to meet certain business requirements. However, Bill was immediately taken in as co-manager of the Henry T. Sheley Construction Company.

Washington—(Deadline release): According to a recent release by Jim McDaniels, American Federation of Labor Chief, the Farmers' Union under the guidance of Glen Cope and John Kennerly decided to raise the price of market pork to 4½ cents a pound.

Henry Cummings, chief of the C. I. O. coal workers, with the help of Congressmen Percy Porcher (Dem.-S. C.), and Eugene Ranno (Rep.-N. Y.), persuaded the President of the United States, Jack Boehme, to allow the state militia, under Col. Robert H. MacDonald, to quench the 18-year-old strike against the coal mines being waged under the leadership of Larry Burr.

New York—(Daily Bulletin): It is my personal opinion that Arthur Albrecht, Editor of the New York Times Newspaper, is covering up for the notorious gangster and underworld king, Harvey Krasner. If Albrecht doesn't like this statement and wants to sue me . . . let him join the line of "Suckers."

Washington—(Special): A release by Keith Kinard, Chief Justice of the Supreme Court, states, "Late yesterday afternoon fourteen men led by Nick Detrino were sentenced to life by the court for the daring robbery of the United State's

Mint. Defense council for the Treasury Department was headed by Furman Prickett, Jr., noted lawyer from South Carolina." Also in the courts today Bob Escue, former taxi driver, was found guilty of the illegal selling of narcotics and was sentenced to 30 days on the Virginia Chaingang.

To break the monotony of crime waves, I'll bring you a few "Photo Flashes" from the World of Society.

New York—(Regular): Tonight at the Metropolitan Opera House, Daniel Oakes' Productions present in person the talented Henry Spell, singing his way into your hearts, and dancing into your soul. . . . Be sure to see it.

Los Angeles—(Herald Release): According to an announcement by his publicity manager, Johnny Ulmer, the millionaire playboy Jimmy Mangum, renowned stock-car king and horse racing enthusiast, is engaged again. This is to be his 18th wife. Maybe this one will last.

Jacksonville, Fla.: Today the \$50,000,000,000.00 Robert Patrick Municipal Hospital was completed, the hospital was named in honor of Dr. Robert L. Patrick, world acclaimed brain specialist. Complete plans for the enormous construction were drawn up by Walter C. Bearden, noted Asheville, N. C., architect.

Miami, Fla.—(Urgent): The world bowed their heads today at the death of John Doe, noted anthropologist. Complete funeral arrangements will be made later by the Paul Combs' Mortuary and Funeral Home. However, it has already been announced that the services will be conducted by the Right Reverend Herbert Moran, Jr. In all probability the body will be laid to rest in the million-acre Spencer Memorial Park, founded by Tillman Spencer, famous author and concert musician.

San Francisco—(Special): It has been reported that Leslie Allen, former Heavyweight Champion of the World, Merwyn Applegate, 1954 Mr. America, along with Bobby Glenn and Jimmy Holiday were all seriously injured in an explosion which took place in the Warren Reibel gambling casino in San Francisco. It is believed that the explosion was caused when a bottle of Johnson's Cough Syrup was accidentally knocked from the roulette table. The exact cause will be investigated by Charlie Layton, Earl Kersey, and Bob Malia, all of the F. B. I. If this bottle was the cause, the Grady Johnson Cough Syrup Co. can expect to handle a large suit against them. . . .

# SS PROPHECY

Now for a quick look into the world of sports: Again today the name of Ray Corbett hit the limelight as professional football coach-of-the-year. Barker Dean Corbett yesterday took the \$50,000.00 Los Angeles open golf tournament from Russell Jordan. . . . George "Spider" Parrish coached his basketball team to a close decision over the Bud Baldwin All-Stars in the opening event of the 1969 Olympic games.

Finchell Quotes: "Human interest specials".

1. Billy Wingfield, athletic director of U.C.L.A., has signed a new five-year contract with that school.

2. Keith Thomas, former airline pilot, has recently accepted the Presidency of National Airlines, Inc.

3. If you noticed the last issue of Life Magazine, it was dedicated to editor Gerhard D. Varn.

4. J. Frank Beauchamp, renowned doctor and scientist, recently made the headlines with his new atomic cure for any disease.

5. According to an Associated Press release, Merchant Marine Capt. Harold "Hank" Gracen has more foreign and American citations than any man living today.

6. Tommie Floyd recently opened a new five-million-dollar night club in Los Angeles.

7. Today Johnny Harrell, owner and operator of the New Waldorf-Astoria Hotel, announced the wedding date of his head bell hop, Plato Stathis. Entertainment for the gala affair will be furnished by the Hotel staff under the direction of Shala Summey.

8. William Bright retires tomorrow from the Dentist Association of America. Dr. Bright is founder of the Bright

Dental College, largest of its kind in the world.

Back to sports!!!!

Baltimore—A bulletin was just handed in to me that reads, "Jack Terry has just been elected President of the National Boxing Association. His Vice-President is to be the retired featherweight champion of the world—Julian Jones."

Flash!!!! Hot off the press comes the report that the good neighbor policy with Belgium has just been signed by U. S. Ambassadors Hubert Vickers and Reed Wilson. Greatly responsible for the signing of this policy is the international entertainment shows being carried on by the Richard Hamilton Studios. Their variety show includes such outstanding stars as: Impersonator, Richard Burgee; Comedian and Dramatist, Bob Bacot; and the unparalleled love scenes by the immortal John Brantley.

Chicago—(Regular): Of interest to many people is the large banquet and ball being given tonight in honor of Porter Gibson, founder of the Gibson Institute of Physical Culture. The event is being given by Huey Calcutt, heir to the Calcutt Lollipop Millions.

Nashville, Tenn.—Tomorrow Frank Deaver will take over the Presidency of the University of Tenn. He will fill the vacancy left by Charles Fahrney when he retired yesterday.

Washington—(Last minute bulletin): United States Senator, Arthur Powell II, has just won his fight for the 10-million-dollar appropriation for the National Zoo now under the direction of Barry "Nature Boy" Levison.

Time is up, Ladies and Gentlemen, so for Patterson's Creamy Skin Lotion and Radio Station WCMS, I will say Goodbye—Good luck—and I'll see you later.

The *Bugle* is one of the most cohesive units on the campus, and plays a vital role in uniting the student body and cementing relations between the students and the faculty. It is a newspaper published for, and written by the students, with student interest uppermost.

The staff of the Carlisle *Bugle* sincerely hopes that the student body has enjoyed receiving and reading the newspaper. It has been a great joy and pleasure to publish it.

Under the excellent supervision of Capt. M. Carson Sturgeon and Capt. Frank Estes, the James M. Grimes Literary Society went forth into a very successful year. Outstanding progress was made in public speaking, debating, and other literary fields.

The Literary Society is composed of twenty-five chosen members. The officers for this year were: Arthur Albrecht, *President*; Jimmy Mangum, *Vice-President*; Charles Sams, *Secretary-Treasurer*; Leslie Allen, *First Critic*; and Merwyn Applegate, *First Censor*.

The Society meets every Saturday night at which time the members participate in various oratorical and other literary activities.

# ORCHESTRA

Again this year the "Carlisle Brigadiers" displayed an array of talented young musicians. The orchestra is made up of a number of chosen members from the school band. They are selected after being auditioned by the school's Director of Music. This organization offers a wonderful basis and unsurpassed training to any cadet interested in making music his profession.

Under the faculty direction of Capt. William Scaffa, and student leader, Arthur Albrecht, the music makers brought to the cadets and their guests many evenings of dancing and listening pleasure.

The "Brigadiers" play for all school dances, and perform at various types of outside engagements.

The student body is proud of its fine orchestra and are grateful to each "Brigadier" for his interest, work, and co-operation in displaying such a successful year of excellent musical entertainment.

# DANCE COMMITTEE

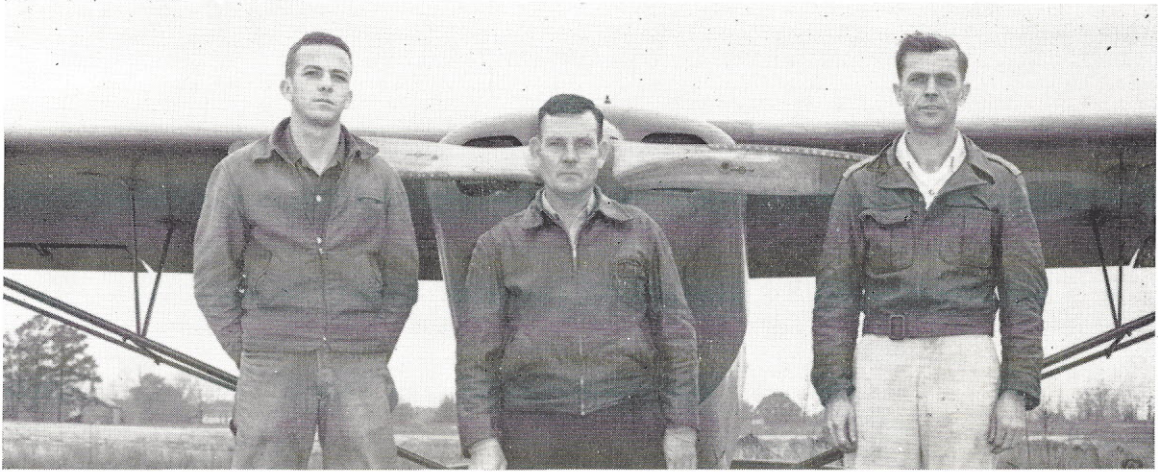

Dances are the main social activity of any school, so it is at Carlisle. Dancing is a recreation, it builds spirit, morale, and culture. Therefore, it can readily be seen, that the dance committee is a vital part of the cadet program.

Dances are held at Carlisle regularly, and it is the duty of the dance committee to decorate and make all necessary arrangements for these dances.

The success of our dances has made continued improvement from year to year, this year was by no means an exception. We hope, with deepest sincerity, that, the dance committees to follow will be as successful as this one has been.

CAPT. E. W. BURNETTE, *Head Coach*    CAPT. JAMES T. BURCH, *Coach*

CAPT. FRANK ESTES, *Coach*

Under the patient and watchful guidance of Coaches Burnette, Burch, and Estes, the Carlisle Military School grid-iron squad completed their '48-'49 football season with an impressive record of four wins and two losses. The Cadets lost their first encounter, October 1, at the Orangeburg fair-grounds, when with only two weeks of practice they fell before the onslaught of the powerful Orangeburg high school grid machine by a score of 34-0.

The following week the Battling Bishops of Bishop England High School from Charleston, handed the Cadet Cyclones their only other loss by scoring in the first and second quarters to walk off with a 13-0 victory. The inexperienced cadet line couldn't cope with the powerful Bishop England forward wall and the offensive-minded Bishops readily took advantage of this misdemeanor.

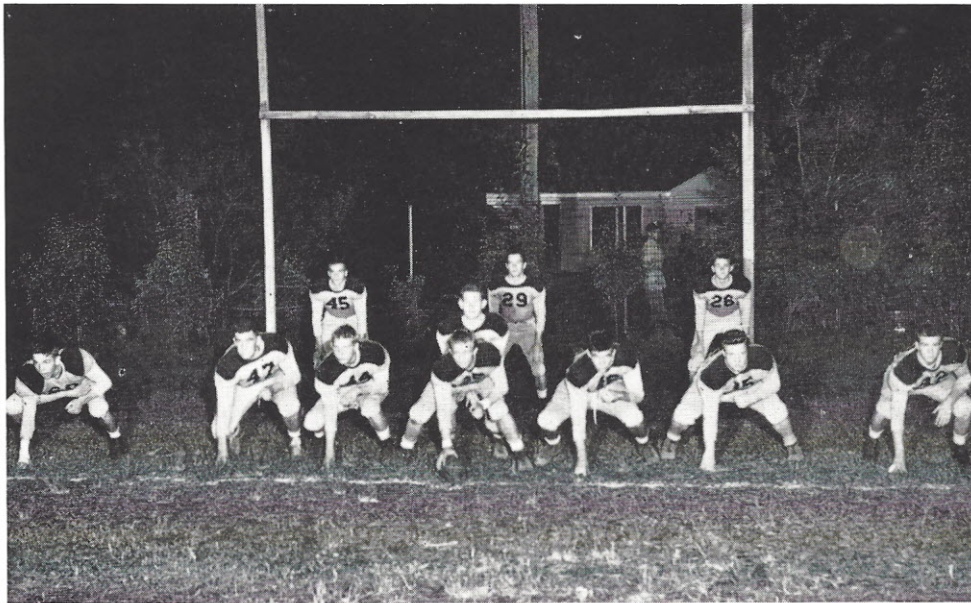

The Golden Cyclones tasted victory for the first time on October 22 when they trampled over a game Kershaw High School eleven in a 26-0 romp played in cold rain at the Kershaw Stadium.

CAPT. GILBERT A. HOFFMAN, *Coach*

STARTING LINE-UP

The Cadet Varsity came from behind on October 28 to hammer out their second victory of the season by defeating the Lancaster High School Green Wave 13-9 in a game featured by long passes and long runs.

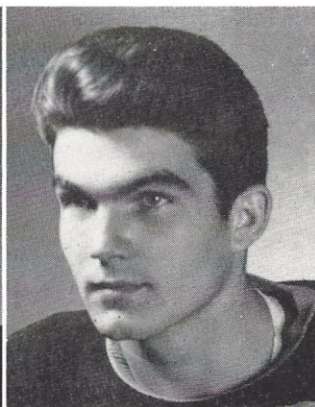

Carlisle's mighty grid machine scored a resounding 26-0 defeat at the Bamberg High School gridiron November 11, against their traditional military rival, Porter Military Academy. This victory highlighted the Carlisle football season.

The CMS Cyclones ended this football season by defeating the Walterboro Wildcats 14-0 in the Walterboro Stadium.

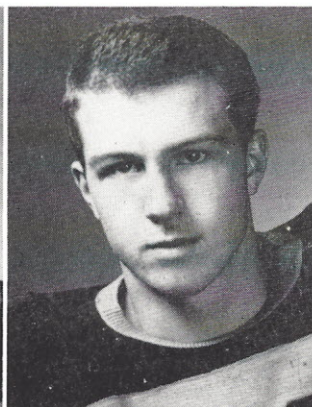

The Cyclone Varsity scored 79 points, racked up 46 first downs, and completed 54% of passes attempted during the season in comparison to their adversaries 56 points, 37 first downs, and 36% passes completed.

# "C" FOOTBALL TEAM

# "A" BASKETBALL TEAM

As the 1948-49 Basketball Season opened, the "Carlisle Pivoteers" faced one of their toughest game schedules in the history of the school. Included on the schedule were such highly rated teams as Sumter High School, Columbia High School, North Charleston High, and Catholic High of Augusta, Ga.

The task of producing a team to meet this list of opponents fell directly in the lap of Coach E. W. "Red" Burnette.

Returning from last year's squad were eight men; six of the eight were lettermen, and three of the six lettermen were members of last year's starting line-up. In addition to these men, there was a host of new and capable material.

After a few days on the hardwood, under Mentor Burnette, the boys shaped into a tricky, fast, and highly aggressive unit. Through interest and teamwork, the boys quickly developed their ball handling and ability to constantly "sink 'em in the net."

The team had confidence and co-ordination; they had the will to win, and win they did. Above all they were clean, excellent examples of ideal sportsmanship. The squad seemed to live by: "When the one 'Great Scorer' of the Universe, comes to write against your name; It's not who won or lost that counts, but how you played the game."

BILLY FAULK

Coach Gil Hoffman's battling Carlisle Mitt squad ripped their way through opposing adversaries during the '49 fistical campaign and finished its boxing season with a highly impressive record.

Highlighting the season's record was the team's commendable trip to Charleston, in which their participation in the Golden Gloves boxing tournament earned for them the coveted Junior Class Team Championship Trophy.

Billy Faulk, Co-Captain of the '49 ringmen and winner of the Junior Welterweight title, received additional glory by being selected as the outstanding Junior Class boxer of the entire tournament. Faulk was also awarded a special Cancer patch for fighting a main event draw in the Cancer fund drive charity fights in Charleston last year.

John Kennerly, after winning his first fight by a knockout, won a close decision in the

finals to cop the Middleweight title trophy. This fight was termed one of the outstanding matches of the tournament.

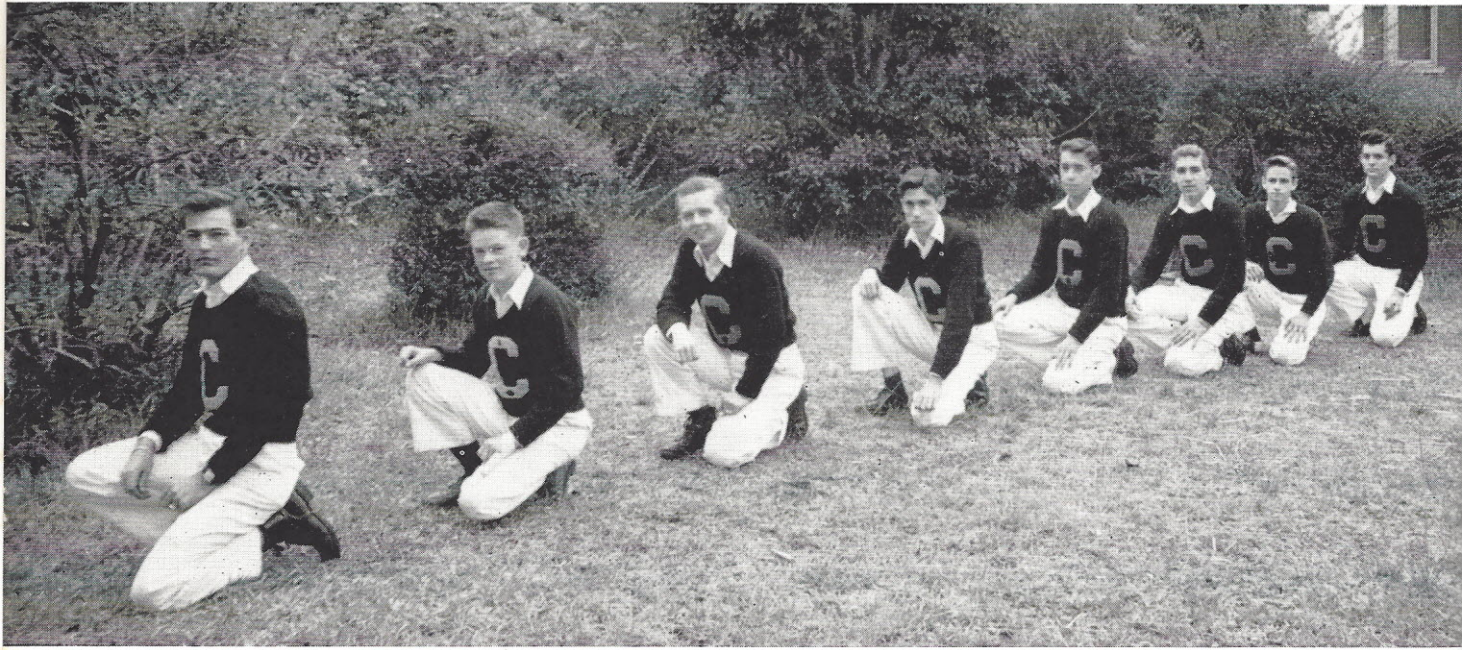

Ira Robinson won the only cadet title in the Juvenile class by virtue of a third round knockout.

Co-Captain Jack Terry, Don Watson, Gene Risher, Edwin Cuevas, and Don Walsh all came through with flying colors in the semi-finals, but lost out in the grand finale. Each was awarded a special runner-up trophy.

J. B. Jones, clever cadet featherweight, who won the featherweight championship title last year, lost a dubious decision in the semi-finals of the tournament.

Other members of the cadet mittmen that went to Charleston but lost out were Richard Hamilton, Tommy Sheley, Leslie Allen, Leonard Melfi, Bill Stearns, Joe Dumond, Johnny Ulmer, and John Brantley.
