## DEDICATION

We, the 1954 REBEL Staff, proudly dedicate this edition of the REBEL to Carlisle's Matron, Mrs. Jessie W. Kennedy. "Grandma," as she is appropriately nicknamed by the Cadet Corps, has for nearly twenty-one years been responsible for much of the success and improvement of our school.

Mrs. Kennedy was born and reared in Williston, South Carolina. She attended high school

in near-by Barnwell. After graduation, before her job at Carlisle, she was employed as a druggist for a number of years.

We sincerely hope, "Grandma," that the dedication of this year's REBEL will serve as a companionable symbol of our affection and appreciation for your ceaseless contributions toward molding a better institution.
