The Block "C" Club is one of the most active organizations at Carlisle. Its principle is good sportsmanship and fair play.

Membership in the club is confined to those cadets who have attained the required playing time in one of the three major sports and have undergone the prescribed initiation by the organization's initial members.

This year, as in the past, the Block "C" Club has sponsored dances, parties, and other events that confirm its importance and activity in the development of the institution.
