

OUR PRESIDENT

YOUNG GENTLEMEN:

You are now going out into a confused and bewildered world. You may find it hard to see where you fit in. Just remember, that if you will meet the duties and grasp the opportunities of each passing hour, the same Power that guides the flight of a waterfowl across the evening sky, will guide your footsteps right.

JAMES F. RISHER

COLONEL JAMES F. RISHER

OUR HEADMASTER

*We got along good
together
WRR*

MAJOR WILLIAM R. RISHER
