Tears

For so long I've tried to make life seem sublime
I've even lied and said I'm fine

A past haunted by nightmares and present full of pain
Hurting others without trying which causes tears of crying

How could I have been so stupid to not wait for the chance
of being able to hold her hand and make her glad?

So now I walk alone on this barren land relieving the pain
with nothing but disdain

Tricks played by my mind keeping me utterly blind how I
wish I could quicken time to when paradise can be mine

But for now all I see is nothing more then my tears

No Greater Love

Do you know how it feels to love?
Can you see your love walking past everyday?
Well I do and I know that I still have love n my heart,
mind, body and soul for my love.
I wish we were never apart and at times I wish we
never started.
I guess now it's too late for another start.
I cry and I'm sometimes sad but now I finally realize
that I have to face reality.
Who I know is my love doesn't seem to be
my love anymore and my heart is broken because I
honestly miss my love.
Each tear that falls from my eyes is all for my love.
No one will ever replace my love
No matter what I will continue to love my love
I apologize because I was so wrong so many times
and now I don't have my love
I hope he won't be gone forever.....
