Won't Due

I hate the way they look at me.
 As if my soul won't due.
 I offer up my purest thoughts
 And they reject them too.

I fight against the people here
 The ones inside my mind.
 They tell me that my heart is lacking
 And I believe them every time.

Friends
 Afraid assuming they will break apart
 Unsure about their friend's lives
 Apprehensive about he said/ she said
 Friends are like a box of crackers

Wrong

Easy, graceless
 Enjoying, well liking, deviating
 Hate, war, peace, insecurity
 Becoming, unyielding, lasting
 Hard, unclear
 Right
