

Zodiac Freak

Characteristics of Aquarius the Water Bearer
(January 19- March 20):

Persistent, leadership qualities with creative, challenging, entertaining, progressive, stimulating, and independent, rebelliousness, coldness, erraticism, and impracticality

"This doesn't describe me, I'm very dependent on my parents and emotional, not cold," senior Ashley Pangalangan said. (Aquarius)

"It doesn't completely describe me. I'm not that cruel, cunning, or persistent," freshmen Jad Guptill said. (Scorpio)

"All those things make up who I am. Cunning describes me best," freshman Brandon Bryant said. (Scorpio)

Characteristics of Scorpio the Scorpion
(October 24 - November 21):

Persistent, complex, analytical, keenly perceptive, inquisitive, focused, determined, hypnotic, and self-contained, extremity, jealousy, secretiveness, possessiveness, stubbornness, cruelty and cunning

Characteristics of Sagittarius the Archer
(November 22- December 21):

Adaptable, dynamic, ethical, humorous, generous, open-hearted, compassionate, and energetic, pridefulness, foolishness, impulsiveness, impracticality, and superstition

"That doesn't really describe me, not the active part, I'm lazy," senior Kenneth Stanley said. (Libra)

"I'm pretty much everything a Sagittarius is supposed to be. Very energetic and dynamic," junior Mehgan Carter said. (Sagittarius)

Characteristics of Libra:
(September 24 - October 23)
Active, pleasant, charming, charismatic, fair, highly intelligent, idealistic, refined, and self-sufficient, frivolity, indecision, greed, anger, envy, excessive pride, cruelty, coldness, and isolation

Characteristics of Cancer the Crab
(June 22- July 22):

Active, kind, emotional, romantic, imaginative, sympathetic, nurturing, and intuitive, emotional, changeability, moodiness, hypersensitivity, depression, and clinginess

"I'm a little active, I'm moody, but not really emotional. Overall it describes me," freshman Kenneth Williams said. (Cancer)

"I don't really think this describes me. I keep to myself," senior Thomas Morris said. (Cancer)
