Graduation

Easter Egg Hunt

Junior Jennifer Foreman and Senior Rachel Hanson played with children at the Christmas party. "NHS has affected my character by exposing me to things that really make me think," Rachel said.

National Honor Society had worked extremely hard to be recognized. They participated in many events such as Adopt a Highway, Women's Health Day, and Fall Festival. You may ask what does it take to be in NHS? Well for starters, a student must have a cumulative GPA of a 3.7 or higher, no discipline infractions, community service, and honors and college prep classes. Other things that NHS has accomplished this year was hosting the Blood Drive, the canned food drive during Homecoming, and a Christmas party for little kids. "I was impressed with the responsibility and willingness of the students," NHS advisor Mrs. Murdaugh said.
