

"Partying is what keeps me up late," junior Ashleigh Fletcher said.

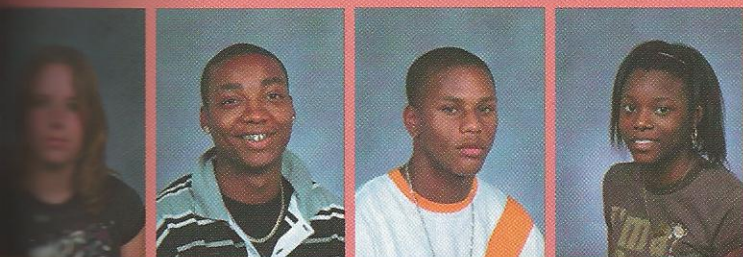

"Talking on the phone and watching TV, pretty much anything other than school work," junior Heather Watson said.

"I think school work is what keeps me up late at night," junior Jeremy Frank said.

"Uhm...Probably the phone and internet, but not school work!" junior Danielle Campbel said.

What affects the time you go to sleep more: school work or other things you do?

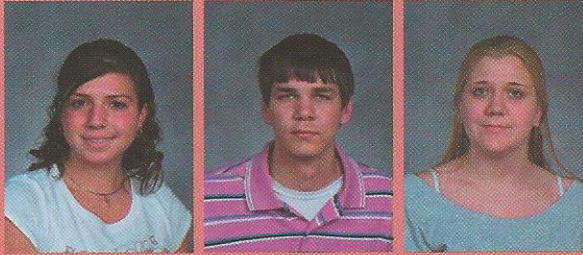

"Definitely other things I do...like extra curricular activities and stuff," junior Jennifer McCall said.
