

Tears may fall and and friends may
part but forever the memories will
remain in my heart.

-Shacohn Brown

*I don't know what to do
I really want to cry
I didn't know how hard it would be
saying goodbye*

*I've known you for a year
what a year it has been
We've laughed, we've cried
and through thick and thin
you still remained by my side
Now's school almost done
and i can't help but feel blue*

*I'm starting realize
this might be the last time I see you*

*We have our memories
I'll cherish them I swear
But the last time I see you
that's something I can't bear*

*So I want you to know
that our friendship will last*
