After hours and hours of preparing for the night to come Sophia was very anxious to be arriving in style. "I pulled up in front of the school that night in my Lincoln Navigator," senior Sophia Brown said.

The day of prom was very memorable for some as they danced the night away with their dates and friends. "The best part about prom was the slow dance with my date Jessica Killian," junior Caleb Blankenship said.

Students spend so much money on prom with their hair and make up and all the other necessities to make their experience at prom a good one. "I spent hundreds of dollars on my dress and shoes," senior Brittini Crawford said.

A lot of sweat and heat in one room is what you go when all the students came together and had a good time. "What I liked most about prom was the music because I danced all night I couldn't stop if I tried," senior Magli Soto said.

1. Prom for some was fun and some liked it but wouldn't go again. If they could change anything what would it be? "I enjoyed the prom but I really think they should have more lights maybe I wouldn't have fallen so much," junior Samantha Archer said.
2. Melissa entered the prom wearing a white dress with gold trim, everyone watched as she walked by. "I was so happy to be attending prom that year, I had to look my best," junior Melissa Catinavo said.
3. The decorations are a very big part of the prom - the theme was Casino Royal. "What I liked most about prom was being on the prom committee, the hard work paid off," senior Casey Chubb said.
