

While he stood at the lockers waiting for the bell to ring, Chad talked to his friends about what car would look good in yellow. "I think a Ferrari would look the best in yellow," senior Chad

McMillon said.

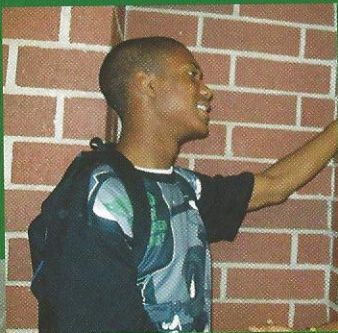

Snap, Crackle, Pop... It's Yellow!!

Yellow is like sunshine! It is a warm color, like red, has conflicting color symbolism. On one hand, it denotes happiness and joy, but on the other hand, yellow is the color of cowardice and deceit. It is the most fatiguing color to the eye.
