Sophomore Heather Kimbler was sitting in yearbook class during third period trying to finish up her quotes for her spread. "I buy white shoes because they're pure, and they go with almost everything!" Heather Kimbler said.

### Heather's Friends!

Jenna Light just dumped her tray after finishing up her lunch. "I like wearing white pants, because the Jonas Brothers wear them." Sophomore Jenna Light said.

Sophomore Taylor Garris was reading a piece of paper at lunch one day. "I have a white dog, and he's really pretty." Taylor Garris said.

### White out

**White is all around us! It is a very pure and natural color, and almost everyone wears white. It goes with almost everything. The only bad thing is, it's hard to keep clean, and you can see almost every stain. Almost everything has the color white in it, or on it!!!**
