

# Vote 4 Me 4 Homecoming Queen

The night of Homecoming all the young contestant ladies joined each other on the field nervous as can be, waiting for the results. "I ran for Homecoming Queen because I wanted to see if I would win.

Guess what I'm Homecoming Queen for 2008," senior Kindra McNeil said.

## Kindra's Friends!

On the field Friday night Kennedy waited to receive her award for Miss Senior. "My best memory that night was dressing up and looking pretty," senior Kennedy Gibson.

Teiara wore a black dress making her way through the ROTC men, when she won Miss Junior. "I wish the boys would be able to run in their class so we could walk together on the field," junior Teiara Kelly said.

## Crown to Touchdown

It all comes down to one night when you walk on that field all dressed up and glamorous not knowing what's in store. These girls worked hard trying to convince everyone in their class why they should represent them. Though everyone worked very hard four young ladies came out on top and the most important one is the Homecoming Queen. Who wouldn't want that label?
