Nikki's Friends!

After eating her lunch, Kimberly Barnes and her friends show off their orange dotted hands at the lunch table. "I love eating oranges because there good," sophomore Kimberly Barnes said.

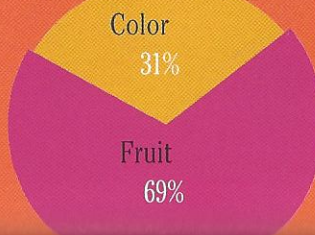

Catching her by surprise Erin Shearouse puts orange dots on Angela King's face at their table during third lunch. "I think orange is just 'Bammish' that is why I like it," sophomore Erin Shearouse said.

Got Oranger?

People with orange hair, orange cars, orange hoodies, and even orange dots everywhere! Orange might not be as great as other colors but there is not a color that better described the 2009 school year! It was bright, cheerful, and nothing will ever be anything like it! "Just like orange doesn't rhyme with anything nothing can compare to this years' Seniors," Senior Jacob Varn said.
