Writing a paper for his next class at fourth lunch Alan writes a paper on the color green. "I believe that the John Deere tractors are green because the deer were green in the old days," freshman Alan Peters said.

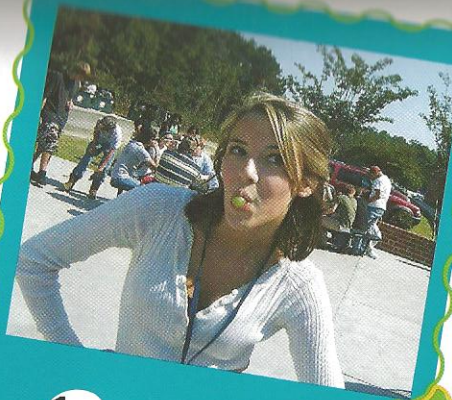

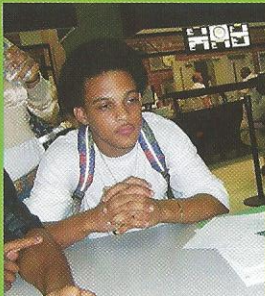

Thinking about the color green at lunch Antonio wonders why Rumpilstilskin wears the color green. "I think he wears green because he's short and needs to be seen," sophomore Antonio Smith said.

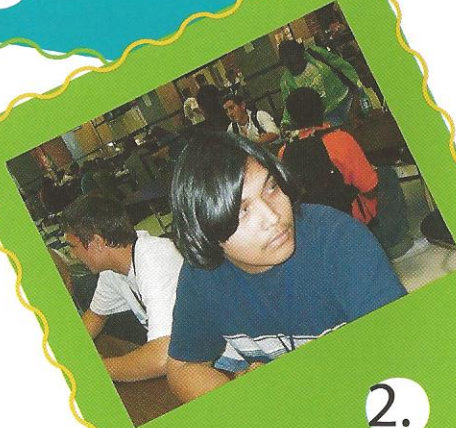

After being kicked out Mrs. Hoods' class Ashliegh stands in the hallway thinking of what the color green would taste like. "I say it would taste like Grizzly Wintergreen," junior Ashliegh Stone said.

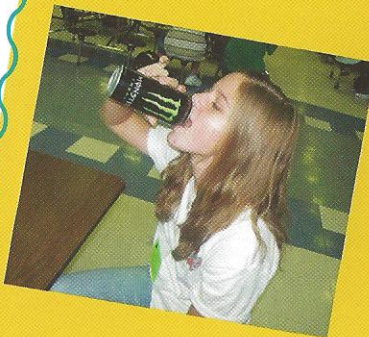

During third lunch Tevin sits with his friends thinking about the color green. "Green is my favorite color," junior Tevin Caine said.

1. Outside on the back patio during third lunch, Annsley enjoys lunch with her friends. The colors that make green are, "I don't know?" senior Annsley Moore said.
2. Sitting at lunch Pedro thinks about how he would like to be outside with the grass. "I like the color green it reminds me of the four leaf clovers," sophomore Pedro Guillen said.
3. While sitting in the Commons at her lunch Lauren drinks her monster. "When I think of the color green I think of the green monster," freshman Lauren Bishop said.
