As Keosha talked to some of her friends, they thought about the things they spent their money on. "I spend a lot of money during the week," freshman Keosha Brock said.

Lacey sat in class and tried to send a text message to a friends without the teacher seeing her. "I don't talk on my cell phone at all, maybe about five minutes at the most. I only text," junior Lacey Donohoe said.

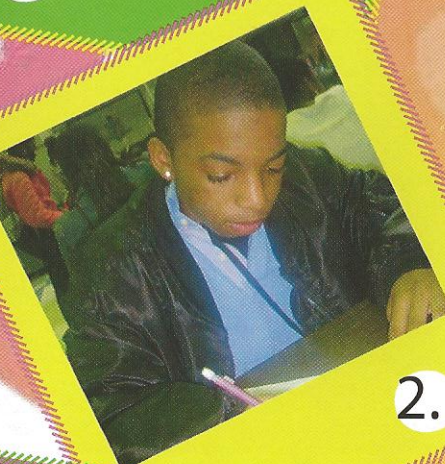

Stopped in the Commons Area, Dorethea waited for the bell to ring to go home for the weekend. "I spend so much time on the internet especially MySpace," freshman Dorethea Fishburne said.

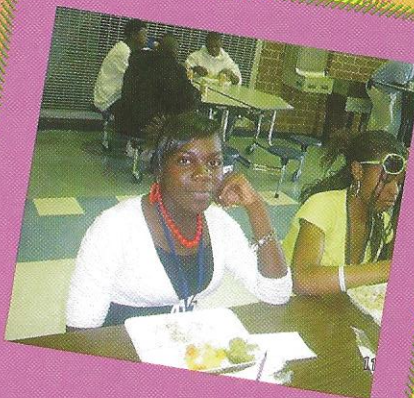

As Antoinette was leaving school one afternoon she stopped to show off her hour and thirty minutes of dressing. "Getting dressed takes me about one hour and a half," junior Antoinette Taylor said.

1. In fourth period Ethan decided he wanted to help the teacher with some work on the board. "I really can't say how many times I have cheated on a quiz or test it's been too many to count," junior Ethan Hart said.

2. As DahQuan sat at the table doing a survey he was asked how long does he spend on MySpace. "I go on MySpace about two times a week," freshman DahQuan Pearse said.

3. During lunch Amber and her friends all sat together. "The only time I go outside is to go to my mailbox or to hop in the car," sophomore Amber Wilson said.
