Sophomore Breanna Bodison talked on the phone one morning to her mom about going to a party with a friend. "I get on MySpace everyday for about three hours," Breanna said.

Senior Daniel Bell stood at the vending machines while he tried to get his dollar to go in one friday after school. "The Internet is my friend," Daniel said.

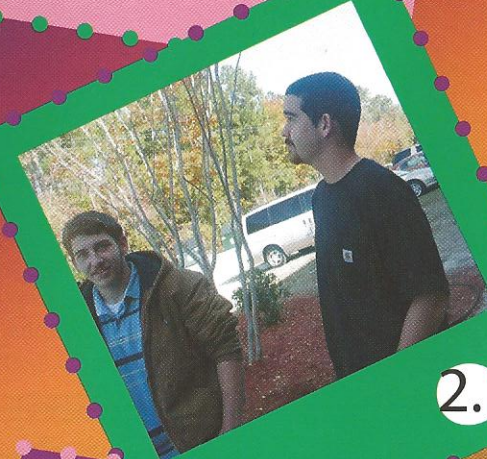

Sophomore Staneshia Rivers sat at third lunch and played with her food while she laughed and talked to her friends. "I use Yahoo messenger to chat with my friends," Staneshia said.

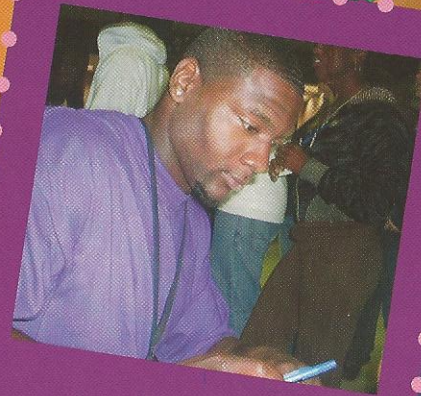

Senior Ashley Oliver sat at lunch with her friends while she laughed at her friend Martika Colton who was making weird faces at everyone. "I don't ever use the Internet unless I have to for a project or unless I get on www.stephinemyers.com," Ashley said.

1. Freshman De-andre' Bryant finished his homework while he sat with his friends. "I go on eBay to shop for speakers and go on You Tube to watch music videos," De-andre' said.

2. Senior Richard Linder was outside one afternoon as he watched an airplane fly over while he talked to his friend Hallie Lyons. "I like the Internet because it's awesome," Richard said.

3. Junior Andre Collum looked at a scary picture of one of his friends in the Commons Area before school one morning. "I don't get on the Internet much, but when I do, I
