Joseph was at lunch eating pizza with his friends. "Maybe if we got treats I would like my math class," senior Joseph Mangum said.

Jordan was thinking about what she was going to do next period. "I don't know how to talk spanish so I don't know why I have to take it," senior Jordan Shearouse said.

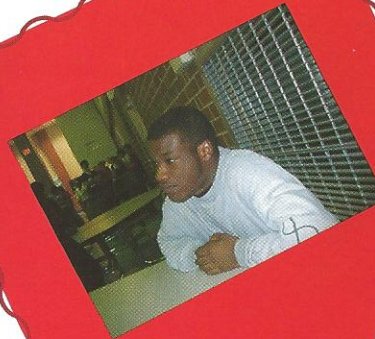

Dena was sitting at the table during 3rd lunch waiting for the bell to ring so she can go to class. "The teachers need to do more stuff in the class," sophomore Dena Haul said.

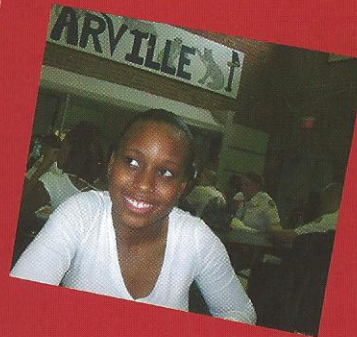

William was sitting at the table during 2nd lunch talking with his friends. "Maybe if Coach Seymore would stop talking so much I would like the class," senior William Kears said.

1. Antonio was eating lunch with his friends. "I wish that we didn't have to write a lot of notes," junior Antonio Garrett said.

2. Teddy was just sitting there looking out into space. "I don't like english because I don't understand my teacher," senior Teddy Bodison said.

3. Aaronyce was smiling with one of her friends. "I would understand more if the teacher would go up to the board and do problems that'll help me," senior Aaronyce Marcus said.
