

Senior Anne Payne was working hard writing a paper in English Class. "I enjoy NHS. It gives me an opportunity to give back," Anne said.

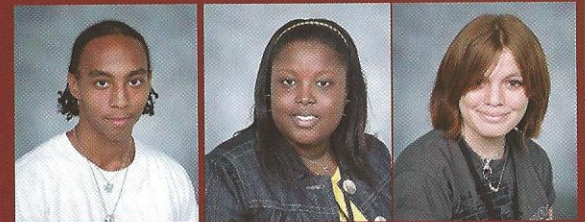

It's Great to Give Back

With the purpose of creating enthusiasm for scholarships, stimulating a desire to render service, and promoting leadership, and to develop character in the students of secondary schools, our school's National Honors Society was actively involved in our community throughout the year. Each student dedicated 40 hours of their time towards community service and NHS sponsored events and accomplished their goals in bettering the world one service at a time.

Anne's Friends!

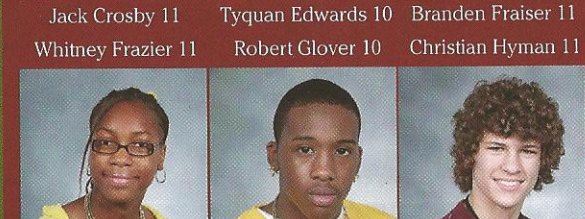

Seniors Kimberly Robertson and Lauren Drawdy both conversed about their last NHS trip. "We are glad we could help those around us." Kim and Lauren said. "It also looks good to colleges, and helps with scholarships," Kim said.
