Huddled to discuss the play to win the game the coaches ran a couple of tips by the players. "If we won the game I would feel good to be apart of that," junior Londell Pinkey Said.

## Londell's Friends!

Gathered for a talk the players discussed a plan to win the game. "The thing I most enjoy about football is hitting people and knocking them down," sophomore Alex Walker said.

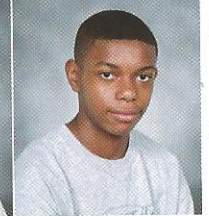

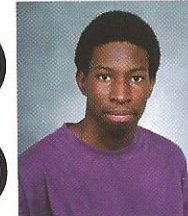

Forcefully, Antonio tried to contribute to knocking their opponent down. "My most memorable moment was when I ran a fumble back for a touch down," sophomore Antonio Elliott said.

## \*\*\*Got Football\*\*\*

The Junior Varsity team played hard and it paid off . They will grow to be our Varsity team one day. Every thursday night the J.V.team headed out on the field in hopes of a win. They played their hearts out and deserved recognition just as well as Varsity did. The Junior Varsity team represented our school and did it well.
