

"The away games are the funniest part. We have so much fun and it is a great bonding experience," sophomore Jenna Light said.

### Jenna's Friends!

"[I enjoy] basketball season because it is more up beat and goes by faster," sophomore Taylor Fox said.

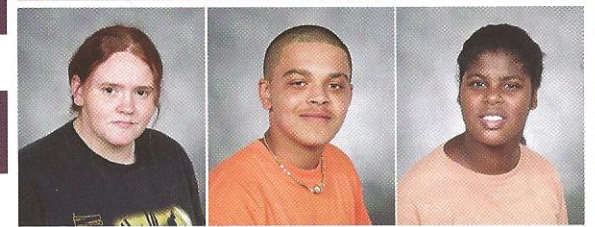

"I feel that they [our captains, Rebecca and Lindsey] do a very good job and put a lot of effort into our squad," junior Ashley Bilka said.

### The Cheerleaders Rock The House!

This was the year of cheerleading I will never forget. Our squad achieved some major accomplishments, like every stunt group getting a Liberty during the summer. Rain or shine, win or lose, we cheered on our Cougars with everything we had. There were so many good times; the bus rides back home, Homecoming night, our last football game at Cougar Stadium, and the pep rally. As a squad we worked really hard this year to come together and help each other be the best we could have been. Sure, we had our bad days, but nothing in life is perfect. Looking back I can easily say that this was our best year ever! "I really had fun cheering this year, it is a lot harder than I thought. I can't wait to come back next year!" sophomore Dena Hall said.
