Junior Raymell Polite stands in the gym looking cute for the ladies. "I like the challenges that we face against our opponents," Raymell said.

Senior Daval Johnson shakes hands with one of his fans. "I choose this sports because I got tired of my older cousins picking on me," Daval said.

Basketball is our sport

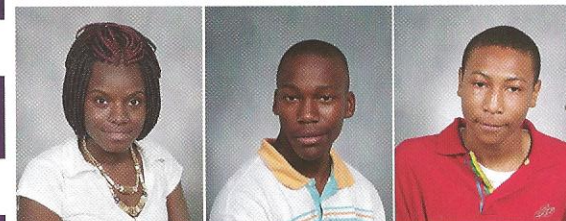

Basketball is our sports. Our varsity basketball team has inspired many students this year. Our basketball team won many games and we also lost a few games. They have gained a lot more by learning from their mistakes. It was a joy of happiness this year with our varsity basketball players representing our school.
