

Will (Wee-man) Nettles

You were definitely one of the best friends I have ever had. We laughed at the stupid things that others rolled their eyes at. I miss you tremendously, and don't ever think that I'll ever forget you. I love you, Will.

Every day I am reminded of you. When I am talking, you're there. When I am driving, you're there. When I am out with our friends, you're there. Not a day has gone by that I haven't thought about you. I'm looking forward to one day being able to see you again, and then we can spend eternity yelling at each other about directions and which way is left. It hasn't been the same, nor will it ever be but I am so blessed to have had you in my life, and I appreciate beyond what words can describe what you did for me by being my friend. You taught me so much, whether you realized it or not, and I am so grateful. I love you Wil-i-um.
