

Grasp the Spirit

From the first kickoff, to the crowing of the Queen and the court, you were always in for a big surprise at the Homecoming game. All eyes were on the varsity football team as they played neck and neck with the West Ashley Wildcats. The student section and cheerleaders were up and ready to cheer on the boys. Members of the NJROTC kicked off the game with the traditional color guard presentation. As half time rolled around, everyone was shaken up when they announced that the junior class had won the spirit stick. The Band of Blue awed the fans in the stands, as always. The crowd roared to life as the homecoming Queen, Senior Keiosha Bingley, and the homecoming Court, Senior Kwanesia Devore, Junior Shantavia Holmes, Sophomore Teagan Crosby, and Freshman Sierra Zirk, walked out on the field to receive their awards. "I was so shocked! I didn't know I was going to win, so I was very grateful for that opportunity," said Senior Keiosha Bingley. This year, the CCHS Cougars grasped the unforgettable moments of homecoming memories that will last them a life time.

"I was so nervous because it was my first time ever running for Miss Freshman," said Freshman Courtney Davis.

Junior Emily Stone runs off the field after winning the spirit stick.

"I believe that the best part of homecoming is spirit week because it's a great way to show your school spirit," said junior Hannah Houck.
