

Grab the Victory

This season, the J.V. Football team did their best because a new member was added to the team. Chris Collins, Colleton County High School's new head football coach, helped lead our team to victory. He taught the players new plays, changed their attitudes, and worked them harder. Junior Thomas Dessoie #30 quoted, "Coach is a nice guy and he believes in us." Another player, junior Leonard Martin #29, stated, "I like him. He's going to get us there. I feel like he's doing his job pretty good." During the season, they played many teams and came through with some victories. Even though they did well with the new coach, they still have some skills on which to work. As long as they continue to work hard and keep their spirits up, our school will be proud to call them Cougars.
