

Clutch the Racket

Love. 10-love. 30-love. 40-love. We have a winner! The girls' tennis team brought home many victories as individuals, as well as a team. The tennis team has become a flourishing program over the years. "Tennis is a lot of fun. I like how it's one on one but you have a team to support you," stated junior Victoria Sineath. Senior Kyla Floyd led our tennis team by winning the most "single" matches. Sophomores Megan Mitchell and Kyla Floyd worked together to win the most "doubles." The girls worked their hardest to come home with a winning season. Individually, the members were successful with their matches, but the team had an overall record of 2 and 9. With the team rising in numbers and skills, our girls are looking forward to upcoming seasons.
