Before each game the team comes together as one body to strategize about the game and to remember to play safely.

Player Caroline Duffie sends the ball down the field to her teammates.  
 Player Rachel Dandridge smiles after blocking the opposing teams goal.  
 Player Faith Allen uses her footwork to maintain control over the ball.  
 Player Brittany Bonner runs down the field before the start of the game.

## SPORT Q&A//

What impact has Soccer had your life on and off the field?

### KARIS THOMAS//

"Soccer keeps my mind off of things. When I step on the field, all of my worries go away. I'm focused."

### STEPHANIE HOOKER//

"Soccer taught me that if I keep to something, I can be better, and I apply that to my life off the field."
