

Seniors laughed, danced, took commemorative photos, and had as much fun as possible. We made sure to make the most out of our Senior Tailgate." ~ Haleigh Barnett (Class of 2018)

Senior Tailgate is a CCHS tradition that allows students to indulge in being Seniors. Being so close to the finish line can be stressful, so the time spent forgetting problems and having fun with peers is one of the many memorable Senior experiences.

1) Seniors from the Student Council tent pray before they begin feasting.  
2) Students start eating after elaborate set up and cooking for their peers. As with any tailgate, students share BBQ, side dishes, and desserts of every variety.

3) Lauren Chewing and Alize Pryor  
4) JuaQuanna Chisolm and Soleil Fryar-Sims  
5) Mariah Risher and Faith Allen  
6) Deasya Brown and Alexis Stephens
