

EXCLUSIVE! CAPTURED MEETINGS!

PLAY YOUR CARDS RIGHT!

In a view of one of these town model meetings, we see our defenders sorting out their game plans. They are consistent and precise with their task, making sure to be cautious with every step possible opponents may take, they use the information they have gathered as they create defense plans.

BE ON THE LOOKOUT!

Joe Sanders stands undercover with local citizens as he glances around in search of new heroes to recruit, or any foe to defeat. This induction is necessary for every defender to complete in their never-ending struggle to keep Walterboro safe.

DRAW IT UP!

Talented artists around the town draw up items that aid the heroes and their mission towards peace in Walterboro. While this reporter observed, maps, wanted posters, and various signs announcing fundraisers were being made.

PREPARE TO FLY!

Local heroes take to the sky and use their height as a vantage point to search for any wrong-doers in disguise. From hogs to villains, this group of protectors will scour the city of any potential criminals.
