

# VARSITY VOLLEYBALL

Our Varsity Volleyball team worked hard and built strong bonds in the 2017 season. Being on a team like this, it's hard not to be as close as they are. Even though they are all in different grades they are all friends, which helps them in this sport where communication on the court and working together are keys to playing successfully.

Our Varsity girls smile for a team photo in their uniforms. Left: Dakari Gant (# 15), Whitley Weathers (# 16), Coach Kaitlyn, Coach Duncun, Makenzy Hand (# 18), Ashlyn Harley (# 9). Bottom: Jade Frazier (# 3), Laura Lucus (# 17), Amiyah Robinson (# 1), Emilia Crosby (# 14), Faith Allen (# 5).

Junior Amiyah Robinson (# 1) lunges to pass a ball to save the point. The girls play with all-out effort for the full game.

Before every game our Varsity girls come together for a team-led prayer. They pray that they have a good game and that no one gets injured.

Senior Faith Allen (# 5) sets the ball up high so one of her teammates can hit it over the net and catch the other team off-guard.
