**STUDENT SECTION**

**Coming out of the Cougar Den!**

1. Sophomore Ashley Savage (#4) says, "Always give 110% and never give up."
2. Junior Kari Edwards (#35) exclaims, "I was told to pass the ball to another teammate but the hoop was always open first!"
3. To quote senior Shantasia Allen (#5), "I like basketball; you have to *always* remember to try."

To motivate herself out of a defeated-mindset, freshman Ashley Bowman (#12) says, "On a scale of 1 to 10, I'm a 9 and the basketball is the 11 need right now." This is how our Lady Cougars win!

As the girls get ready to start their game, they have their final pep talk. Each girl makes sure they have a shared mindset and their eyes on the goal.

During any game, you'll always hear Coach Perry Smalls yelling "Keep your hands up." Left: Senior Shantasia Allen (#5) guards before she successfully steals the ball from a Beaufort player. Right: Sophomore Ashley Savage (#4) joins junior Scha'Mari Stephens (#15) guard another player so no ball will be passed by or through them. *Teamwork works!*
