

Cougar Cafe and Student Store

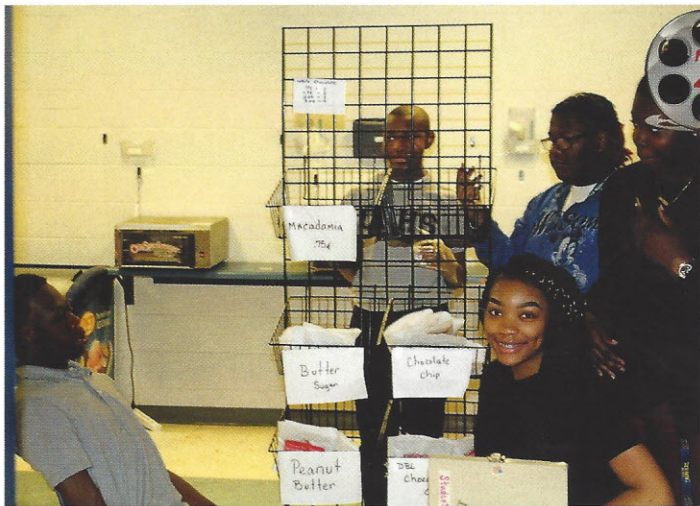

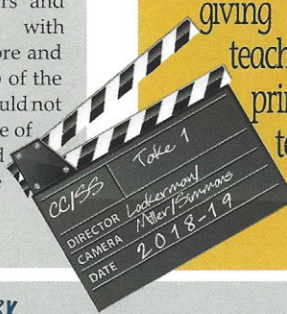

THE REAL WORK BEHIND THE SCENES: COFFEE & COOKIE SALES

Besides offering nice treats, these are the transition services Cougar Cafe and Student Store offer to teach life skills that can carry over to real-life situations or careers that require the abilities to volunteer or help. A student who receives special services can work towards receiving volunteer hours towards their Credential Certificate. The purpose of the Cougar Cafe and Student Store is for students to be able to perform these skills, without assistance in future jobs or a further career outside of school. The businesses supporting these partnerships are giving back to the community by teaching about their business is a primary goal. Being in control of teachers' coffee and student cookies is just a bonus for the student-workers!

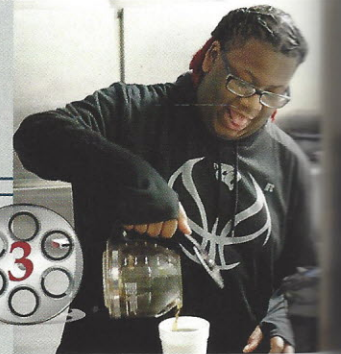

HELPING VOLUNTEERS

These programs are another part of helping the volunteers and staff members connect with Colleton County High School more and more everyday. Without the help of the wonderful staff, the volunteers would not have been able to gain the experience of business, finance, and entrepreneurship skills they have today.

TEAMWORK

The cafe and store have brought together many students to be able to work together as a team to reach a very helpful goal.

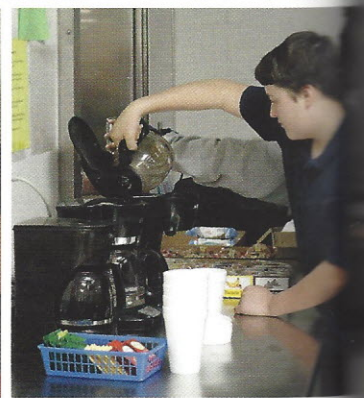

SALES

Our Cougar Cafe and Student Store can make your day wonderful by selling and making items such as: coffee, muffins, and freshly baked cookies.

MAKING IT HAPPEN

This program has brought many smiles to Colleton County and it's only right if we recognize some of the volunteers that are making the Student Store and Cougar Cafe happen: Jacob, Reuben, Tyler, Nicole, Davion, Ashley, Kadir, Noah, Ms. Miller, and Ms. Lockerman. Thank you for volunteering to make students', teachers' and staff's day better with amazing food and drinks.
