

## RESPECT, RESPONSIBILITY

...the base of CNT. Everything is built on the trust you form with your classmates. ...and trust someone to finish what they're assigned, the other two things don't ... necessary for the students to get their tasks done. ... responsibility is when each member of CNT takes charge of their actions to complete ... they are assigned.

### GETTING THE PART

Job interviews are an important part of life. CNT students were given a chance to have a mock interview to practice what they'd say and do. These interviews help the students gain confidence in what they would say during a real job interview.
