## THUNDERBOLT CAREER & TECHNOLOGY CENTER

**1 KNOWLEDGE IS KEY**

TCTC is a wonderful place that kids go and help out throughout the community. TCTC is known for helping kids get to where they need to be in life. TCTC also makes sure students know that they are needed and wanted in the world by showing they care about their education and that they are not just another person. TCTC is like home some students point out and they say that they would not change it for any other way. They are all proud of what they have done and can not wait to see what is next in the upcoming years.

TCTC is a program students go to learn about things high school students are not all... TCTC is a small building made in the... It is a place to come and enjoy some... on learning. TCTC allows students to master a skill they've been curious about or learn something related to the career path they want to take. These students are capable of doing so much more than what they are... to learn in school. TCTC is where they are free to open themselves up to the idea of being more independent by learning a skill.

**2 ANIMAL CARE**

Sophomores Karson Hiott and Victoria Douglas learn how to properly handle and care for animals in Mrs. Lutton's class.

**BATH TIME**

Senior Lyndi Carter is getting Mallory the chinchilla out the pen for a dust bath.

**NAP TIME / LEARNING**

L: Victoria Myers, class of 2019, grabs Lola the ferret out her hammock carefully to bring her to the classroom.  
 R: Each student in Mrs. Lutton's class learns about the bones of a horse and each day have a hands on activities that they would have to learn.

CARPENTRY STUDENTS SAY "THE FUTURE BELONGS TO THE FEW OF US STILL WILLING TO GET OUR HANDS DIRTY." AS THEY CLEAN UP THE CLASS ROOM AFTER A LONG HARD DAY OF WORK.
