YOUNG AGENTS OF CHANGE

Young Agents of Change (YAOc) is an organization formed by Ms. Burke to give students a chance to give back to the community. Students who get to be part of this club receive many experiences and life lessons that teaches leadership and selflessness. They also get first-hand experiences making the world a better place. This year, the organization acquired more members and to perform civic duties around the school. By doing numerous projects, the Young Agents of Change made a difference and continued to guide others on the path of service.

AGENTS IN A FLASH!

The Young Agents of Change Officers took a quick picture to express the gratitude of working together. "This organization has a positive environment. It is an honor to work with selfless people who are willing to give back to the community." President Teniia Brown (11) states.

CHANGING McDONALD'S

A big project for the Young Agent of Change was to volunteer for the Ronald McDonald House Charity. Members were delighted to help those in need.
