

# Varsity Girls Basketball

THIS IS OUR GAME!

Our Girls Varsity Basketball Team had a great year. With all their dedication they managed to make it to the first round of playoffs. Even though it wasn't easy, these girls knew what they wanted to do this season and were more than ready to achieve it. The work they put in was noticeable. They didn't give up and tired to work together on the court. These girls may have individual talents but together they can dominate the court. Under the supervision of Coach Perry Smalls, the team is pushed to their absolute limit. They had a great season and even though we will miss our seniors they will do even better next year.
