## STARRING THE TENNIS PLAYERS OF 2018

*Strive for improvement, not perfection.* This motto was the driving force for the girls tennis in 2018. Several new and young players made their debut on the court. The girls tennis team lost five seniors from 2017 but they had four returners: Junior Megan Dewitt, senior Kendall Bell, sophomore Abigail Lee, and senior Lov'ea Goodwin. The four returners add maturity to the team and help the new players. The girls made improvements throughout the season. Even through hard times, the girls never gave up on the court! This was a successful growth year for the 2018 CCHS girls tennis team.
