NOTHING LIKE AN ACTION SHOT!

## READY TO TAKE ACTION!

The team gets ready by forming the circle they do every match. Our wrestlers have started every match like this together for years. They always say something to encourage one another to give it their all.

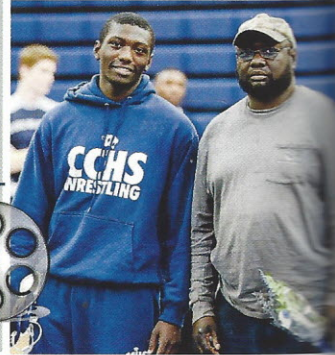

To these wrestlers this sport is more than just using their personal strength to overcome. This is away for them to focus their energy on something. They're able to be a team and push themselves to do their absolute best. This school year was monumental for some of our CCHS wrestlers. Senior Wyatt O'Quinn was the AAAA Wrestling State Champion in the 126 pound weight classification and voted AAAA Most Outstanding Wrestler. Senior Tyrese Presse finished runnerup in his weight classification of 195 pounds.

## STRIKE A POSE!

Our seniors celebrated their wrestling journey on Senior Night.

## CAMERA READY!

"To be a wrestler you have to have skill and be committed" said senior Terreak Gadson.

## A REAL MOTION PICTURE!

(Left) It appears that wrestling requires concentration and skill. When it comes to their matches these guys don't disappoint. (Right) Terreak Gadson prepares to take down his opponent.
