

Varsity Girls Soccer

KICKIN' IT TO A GREAT SEASON

TEAMWORK

Teamwork is the key to everything. If our girls want to win they have to work together. On the field they rely on each other. They practice together in order to win together. No one plays this game alone. If our Lady Cougars want to accomplish anything during the season they have to see one another as pieces of the team that come together to form a whole.

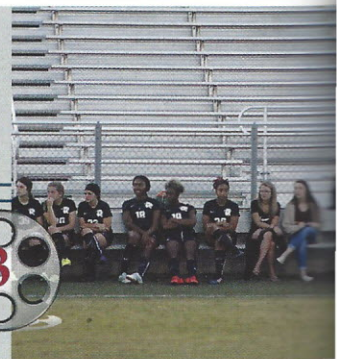

The Varsity Girls Soccer Team has really put in the work this season. Every single player brings something to the table. They've done everything in their power to improve from last year. They aren't afraid of hard work and are doing what's necessary to make themselves better players. They have fun as a team and respect each other. They try to communicate on and off the field in order to have a great season. Being able to talk to your teammate is an important part of playing the game.

FULL FORCE

This was Mckenna Mabry's (#25) senior year and she definitely put in the work. She was full of fun this season and ready to win.

PATIENCE

The other players watch their teammates, waiting for the moment they're called into the game.

HEAD UP AND EYES ON THE BALL

(L) Junior Jade' Frazier (#26) said, "Soccer helps me stay focus and remember there's always more to life. It also keeps me busy when basketball season is over." (R) Sophomore Anne Mathis Thomas (#30) said, "I have had a lot of fun this season and gotten so much closer with all of my teammates."

ANNE MATHIS THOMAS #30 · AMIYAH ROBINSON #12 · AMBER WARDEN #8 · HEATHER DOWD #11 · SIERRA OBERNAUS #28
