This year's season for the Colleton County High School Varsity Boys Soccer team has been an extraordinary experience. The team really shows. Coach Justin White has done a lot for this team. He's contributed a lot to the success of the team, as well as given the team a lot of exposure to the community. Despite the season being up and down, each of our Varsity Boys has put in all of their effort to make this season the best they can.

NO LIMITS

In an attempt to keep the opposing team from the ball, junior Darius Johnson (#17) jumps into the air to head-shot it.

WHAT A KEEPER

Senior Corey Bowman (#1) plays goalie. This is one of the most important jobs in soccer, as his role is to keep the other team from scoring.

WATCH CLOSELY

L: Senior Shornden (Preston) McCloud (#13) races behind the opposing team to steal the ball from them.

R: Senior John (Drew) Frank (#23) keeps a steady pace behind an opposing player, keeping a watchful eye on the ball. He's ready at any moment to pass to teammate Jimeque Brown (#5).
